

SHRI SHANKARACHARYA MAHAVIDYALAYA
JUNWANI, BHILAI
STUDENT COUNCIL: ACADEMIC AND ADMINISTRATIVE

Shri Shankaracharya Mahavidyalaya Junwani has working Student Council since the very start. The Student council if the college went through two different phases in past 5-6 years. From the year 2014 to 2016, there were student elections; hence student council and the board members were all the elected members. There are different committees both at academic and administrative level in the college. The elected members till the election tenure played the role for the committees at both the levels. The student council and the board members were part of Cultural committee, Sports Committee and Academic Committee. The members and brand ambassadors of administrative committees as: SVEEP, Help Desk of the college, Eco-Club, Gender Championship and Women Cell. Since 2017 there were no elections in the state and the members were nominated on the basis of merit. The committees and bodies remained the same in these years too and the students worked precisely same as they did in the past years. The office bearers acted as the ambassadors too:

Women cell (Vividha) which was formed in the year 2009 also includes students as members and it is their duty to communicate the message of the cell among the people. Students during various programmes not only contact people but they help spreading message through skits, nukkad nataks, and poster and slogan competitions. The cell also organizes various competitions in which they encourage the village people and help them to link with the programmes and schemes planned by the government for women.

Eco-club (Pallavan) was formed in the session 2013-14. Since then students helped the club by donating plant saplings to the college and nearby places. Students identified and named various plant species in the (new) campus. They also helped spreading the message of clean and green Bhilai. There is a botanical garden in the campus which is in care of the student council members. There are various medicinal plants too in the garden some donated by the students council itself.

Help Desk: The desk is working in the college since 2009. The students been member of the desk too; and have helped other students and in some cases faculty also.

SVEEP: The government of India had initiated the movement of 100% voting and the college worked actively in the direction as an efficient member. Students too at times spread the message of the government and thus helped the college. Students have learned much about the whole election process and know the value of each vote. Student council worked in the field through spreading the message of 100% voting. The office bearers too have helped the local authorities at times during the elections.

Gender Championship: Gender plays an important role in the society. Students are selected on the basis of their gender equally and they help spreading message of the same in the institution and other institutions too. It is important to speak for the equal opportunities and equal wages.

Student Union Election 2014-15 Office Bearer

S.No.	Name	Post	CLASS
1.	Saurabh Jaiswal	President	M.Sc. (Maths) 1 st Sem
