

FEEDBACK SYSTEM

IQAC has made it a tradition to mandatorily collect feedback from students, alumni, parents, and teachers in each session through structured feedback online forms. The task is completed via Feedback Committee. During the session, the committee distributes and collects the online filled feedback forms and submits it to IQAC. Then, IQAC analyses and interprets the data and strives for taking further actions as per feedback report.

Objective: The objective of taking feedback is to determine the satisfaction levels of various stakeholders of the college and identifies scope for further improvement.

Methodology

♣ Collection of Data: The feedback is collected manually by circulating the feedback forms.

♣ Sampling: Efforts are being made to collect data through extensive sampling. Yet in some cases, it becomes difficult to approach to each student, alumni, and/or parents. So, a set of criteria is established for taking sample.

- ✓ Students: It is being assured that at least 50% of college students fill the feedback forms. Equal representation is given to all streams and proportionate stratified sampling is used for collecting feedback from students.
- ✓ Alumni: It is again assured that at least 50% of the outgoing students in each session fill the feedback forms from all streams.
- ✓ Parents: Often, students are handed over the forms so that they get it filled from their parents and submit. However, accidental sampling method is also used and the parents who visit the college for fees and other purposes are requested to fill the form. Sample criteria of 50% is again followed here.
- ✓ Teachers: All the teachers fill the feedback forms in each and every session.

Analysis and Interpretation:

The data is analyzed through percentages. Charts and diagrams are prepared for easy understanding by using Microsoft Excel.

Meetings and Action Taken Report:

Based on the analysis, IQAC in consultation with principal, calls for meetings to discuss raised issues and suggestions. Necessary actions to be taken are decided accordingly. Likewise, action taken report is prepared.

Circulation of Action Taken Report:

The action taken report is circulated among the staff members through IQAC. Action taken report acts as a plan for the next academic year. Staff meetings and other committee meetings are then held to execute and implement the action plan.

- From the next part, analysis of feedback forms for Students, Alumni, Parents, and Teachers respectively are presented with appropriate explanations. At the end, action taken report is shown.

In students' Feedback Form, Ten questions were asked in the form of responses and response anchors were divided into five categories: (1) Strongly Agree (2) Agree (3) Neutral (4) Disagree and (5) Strongly Disagree. One open questions for suggestions and most likings about the college. For the purpose that students' can freely give their opinions name Below a sample of filled feedback form has been shown. The second part is analyzed using percentage method. The percentages of responses have been shown in table 1 and are presented through graphs

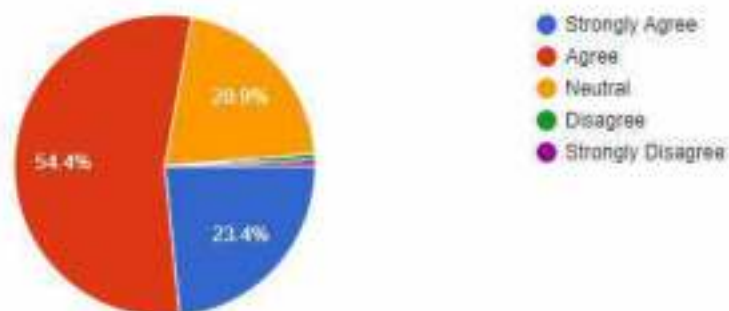

TABLE PERCENTAGE OF STUDENTS RESPONSES						
S.N	STATEMENTS	1	2	3	4	5
1	The syllabus is career oriented	0.6	54.4	20.9	0.6	0.6
2	The quantum of the syllabus is in proportion with the time frame	15.2	56.3	22.8	5.1	0.6
3	The assessment methods are appropriate in relation to the course	19	50.6	24.7	5.1	0.6
4	The curriculum is designed to enhance employability	12.7	51.3	25.9	8.9	1.3

5	There is sufficient availability of books and reading materials prescribed in syllabus	14.6	56.3	15.8	12.0	1.3
6	Curriculum delivery is oriented towards life skills	18.4	50.6	22.2	5.7	3.2
7	The course inspired me to pursue Higher studies / Research work	20.9	52.5	20.9	5.1	0.6
8	The syllabus enable to improve ability to formulate/ analyse/ solve problems	17.1	58.2	19.0	5.7	0.0
9	The syllabus helped me with necessary knowledge to meet company/Industry requirements	15.8	48.1	25.3	8.2	2.5
10	Certificate / Add-on / life skill programmes supplement the curriculum	19.6	54.4	21.5	2.5	1.9

PRESENTATION OF PERCENTAGE RESPONSES THROUGH GRAPHS AND THEIR EXPLANATIONS

1. The syllabus is career oriented

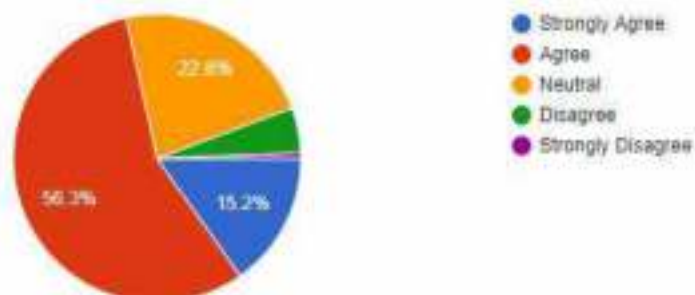

158 responses

From the above feedback analysis, we conclude that majority of the students (54.4%) agreed that the course IS CAREER ORIENTED. This will be helpful to them in their future.

2. The quantum of the syllabus is in proportion with the time frame

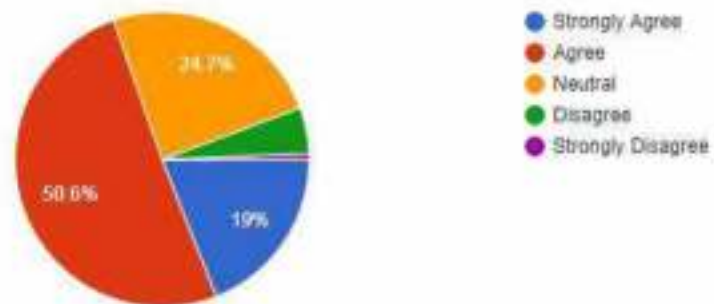

158 responses

From the above feedback analysis report, we conclude that majority of the students 56.3% agreed that the courses/subjects are designed in such a manner that it can covered in GIVEN TIME FRAME. Only few of them (5.1% disagree with it.

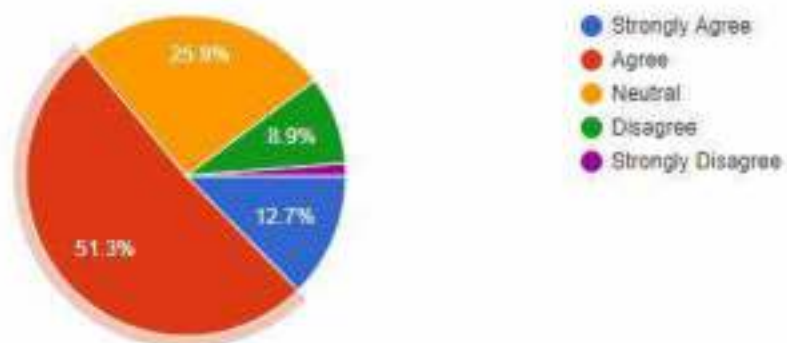

3. The assessment methods are appropriate in relation to the course

158 responses

4. The curriculum is designed to enhance employability

158 responses

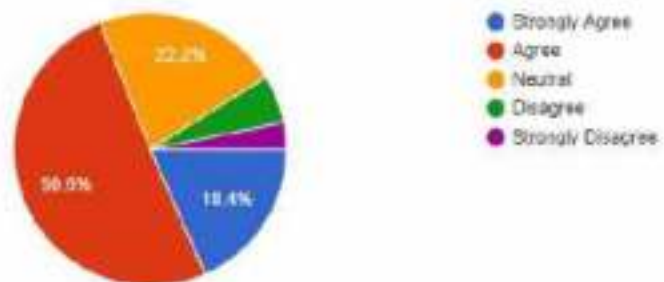

5. There is sufficient availability of books and reading materials prescribed in syllabus:

158 responses

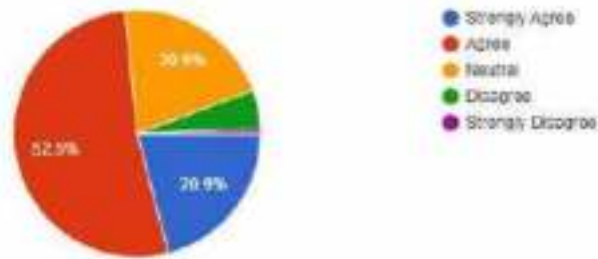

6. Curriculum delivery is oriented towards life skills

158 responses

7. The course inspired me to pursue Higher studies / Research work

155 responses

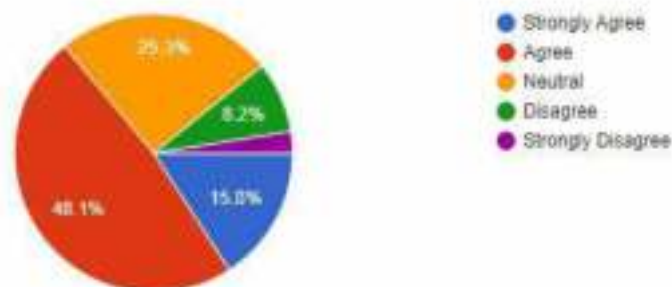

8. The syllabus enable to improve ability to formulate/ analyse/ solve problems

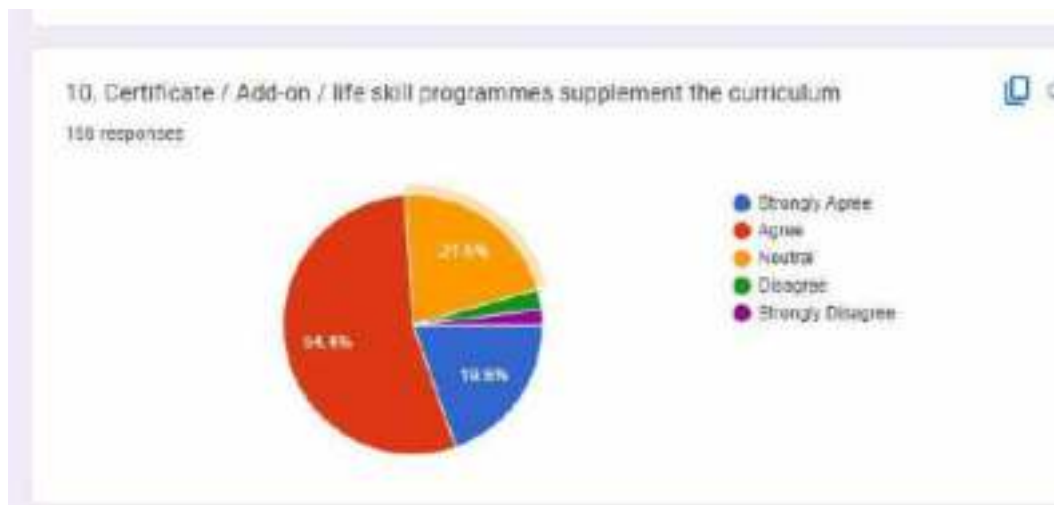

159 responses

9. The syllabus helped me with necessary knowledge to meet company/Industry requirements

158 responses

OVERALL CONCLUSION THROUGH ANALYSIS OF STUDENTS' FEEDBACK

The feedback form for Students incorporated questions related to curriculum design and delivery, and infrastructure and other amenities in the college. So, the conclusion is presented in two categories:

1) Courses and Curriculum: The students' seem highly satisfied with the available courses in the college, the curriculum design and delivery, and the recommended material by teachers. They also are satisfied with the teaching methods, examination and evaluation process. They say that teachers are punctual in classes and teach in effective manner using ICT techniques in adequate manners. This can be concluded owing to majority of students answering satisfactory and very good response for the items related to courses and curriculum.

2) Infrastructure and other Amenities: Here, from the responses of students it can be said that certain students arise a need of basic facilities like drinking

water, washroom facilities as adequate. Students are positive with extension/co-curricular activities and celebrations of festivals in college.

ACTION TAKEN REPORT (Based on Feedback Analysis: Session 2022-23)

Key topics of consideration are derived by merging the final conclusion and recommendations from the study of feedback from four stakeholders (teachers, Employee, alumni, and students) of the college. The IQAC coordinator discusses these matters with the principal. A few areas were represented in the college's Governing Body meeting, and the Principal takes appropriate action when needed.

Below the action taken report has been shown in a tabular form. The first column presents the key areas of consideration (extracted from feedback analysis). The second column depicts the action taken.

Key areas of consideration	Actions Taken	Nature of Action General/ Specific
Provide additional knowledge to Alumni about job opportunities	The convener of the Career Guidance and Placement Cell was advised that along with students' Whatsapp groups, intimation of any job opportunities must be sent to Alumni groups also. He was asked to ensure that the information reaches the Alumni.	Specific (Career Guidance and Placement Cell)
Organizing more educational trips and extension activities	The suggestion of educational trips was mentioned by alumni, and certain teachers gave suggestions for more extension activities. However, numbers of extension activities are organized in the college; yet, Principal made out a circular and asked teachers to organize educational trips for students under the banner of any committee/cell/department and keeps an eye on the opportunities in this regard.	General
Extra Classes	Students arose a need for extra classes. In this regard, the principal called a meeting of all the teachers. Teachers said they already take extra classes for weak students, whenever	General

	they or students had vacant lectures. They also teach in an auxiliary manner if any teacher falls on leave and any class is free. However, not in a formal fashion, but, according to teachers extra classes are already in practice.

MOU Event

Name of the Activity:- Chhattisgarhi Lok-Geet

Event Date :- 26/09/2022.

No. of Participants :- 28

Event Report : Under the guidelines given by University Grant Commission, “Ek Bharat Shreshtha Bharat” Club, Shri Shankaracharya Mahavidyalaya, Junwani, Bhilai in collaboration with the MOU partner, Dhote Bandhu College, Gondia, Maharashtra, under Cultural Exchange organized a one day program on “Chhattisgarhi Lok-Geet” on 26/09/2022.

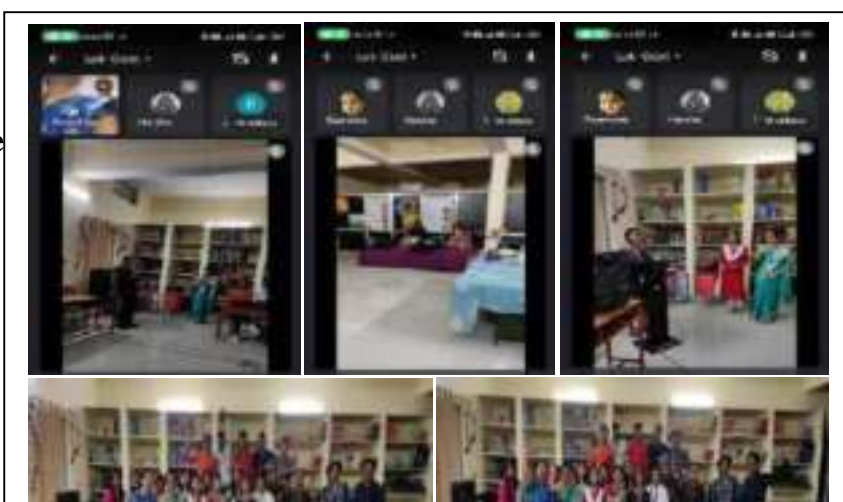

Chhattisgarh is very diverse in folklore. A clear image of the folk psyche is visible in Chhattisgarhi folk songs sung from birth to death. Karma, Dadaria, Suva, Bhojli, Panthi, Sohar, Bihav, Khelgeet, Danda, Phag etc. are prominent in Chhattisgarhi folk songs. Everyone has their own importance. That's why in the chhattisgarh songs, social participation and harmony of Chhattisgarhi folk life shine like pearls. This brightness and glam of songs was felt during this event with the help of few students and two of the very prominent invited dignitaries, i.e. Dr. Laxmi Verma, Assistant Professor, Dept. of Economics and Mr. Ramchandra Sarpe, Assistant Professor, Dept of B.A (music). Students who participated in this event were Jageshwar, B.Sc. II Year, Nidhi Sen, B.Sc. III Year, Sanjay Kumar and Deepa Gautam. They presented various forms of Chhattisgarhi folk songs which not only entertained all the aspirants both from Shankaracharya as well as Dhote Bandhu College, Gondia but it also broadened the horizon as well.

The ancient way of life and customs of this region are introduced through folk songs. The relation of folk songs is mostly based on old traditions **A total of 28 people participated in this program including Assistant Professor Dr Shubhagi Narde and Assistant Professor Sneha Jaiswal from Dhote Bandhu Science College, Gondia.**

Outcome: The main motive behind organizing this event was to enlighten the participants about the chhattisgarhi Folklore is very ancient and diverse. The field of Chhattisgarhi folk songs is very wide, on the one hand there are evergreen Dadaria-songs of Muktak-style, and on the other hand, long narrative songs like Gopalla Geet and many more are also found under Prabandh-geet, in which there is a wonderful description of might and victory. The most important part of folk literature is found in the form of folk songs.

Name of the Activity:- Story Telling Program from Marathi literature

Event Date :- 28/10/2022

No. of Participants :- 2

Event Report : Under the guidance of UGC, Shri Shankaracharya Mahavidyalaya Junwani Bhilai the 'Ek Bharat Shreshtha Bharat' campaign, an online event was organized with the DhoteBandhu Science College, Godia. on 28th October 2022, Under which Story related to Marathi literature was read in the program.

A program related to Marathi Story Telling Program was organized by the EBSB group along with DhoteBandhu College. In which Mrs. Jayshree Wakankar, Mrs. Shilpa Kulkarni and Mrs. Ujwala Bhosle, Assistant Professor of Education Department of Shri Shankaracharya College, presented stories related to Marathi literature in Hindi. The Vice-Principal of the college, Dr. Archana Jha was present on the event. On this occasion, Vice-Principal of the college Dr. Archana Jha was also present. She said that Marathi literature is a very vast ocean, from which today we got to choose some pearls through stories, from which we got useful education for our life and society. Also, all the students associated with Ek Bharat Shreshtha Bharat participated in this program and assistant teachers of DhoteBandhu College, Mrs. Shubhangi Narde and Mrs. Sneha participated. A total of 25 participants ensured their participation in this programme.

Outcome: The primary objective behind organising this program, was to enlighten everyone about the rich Marathi literature and culture. Marathi language is the 17th largest language in the world and is one of the oldest as well.

Name of the Activity:- Chhattisgarhi Art-Culture

Event Date :- 30th November 2022.

No. of Participants :- 28

Event Report : Under the guidelines given by University Grant Commission, “Ek Bharat Shreshtha Bharat” Club, Shri Shankaracharya Mahavidyalaya, Junwani, Bhilai in collaboration with the MOU partner, Dhote Bandhu College, Gondia, Maharashtra, under Cultural Exchange organized a one day program on “Chhattisgarhi Art Culture”

on 30th November 2022. This program was organized to enlighten everyone that Chhattisgarh is well known for its rich cultural heritage that reflects various aspects of this beautiful state. Cultural life of [Chhattisgarh](#) comprises varied forms of traditional art and crafts, tribal dances, folk songs, regional festivals and fairs and amusing cultural fests. Mainly, Chhattisgarh is occupied by tribal people who have preserved their rich tribal culture modestly and religiously. The arts & crafts of Chhattisgarh truly represent the dexterity of its artisans. Amazing wood carvings, bamboo work/furniture, bell metal handicraft, figures of terracotta, tribal jewelry, paintings, and clay pieces are some of the specialties from the state. To showcase this art culture an exhibition of religious places and different arts of Chhattisgarh was demonstrated through video as well as 10 major religious places of Chhattisgarh were also shown through audio video.

Outcome: The importance of the rich Chhattisgarhi culture and religious places gets revealed in such programs. Chhattisgarh is much popular for its exclusive traditional art and crafts and religious background, which makes it an amazing place to find out unique artistic handicrafts, decorative items and a great place for enhancing one's spirituality.

Name of the Activity:- 'Bharatiya Bhasha Utsav

Event Date :- 11.12.2022

No. of Participants :- 186

Event Report : As per the guidelines received from **Uuniversity Grant Commission** dated 02/12/2022, as a part of Azadi ka Amrit Mahotsav, the 75 year of our Independence, a series of events were organized with the objective of upholding the spirit of **“Ek Bharat Shrestha Bharat”** initiative. In this regard, it has been decided to celebrate the **'Bharatiya Bhasha Utsav'** every year on 11 December on the occasion of the Janma Jayanti of **Mahakavi Subramania Bharati**, a multi-linguist and freedom fighter. Under this same context, Utsav was celebrated at Shri Shankaracharya Mahavidyalaya on 11.12.2022 under Ek Bharat Shreshtha Bharat program which was later shared with MOU partner, Dhote Bandhu Science College, Gondia, Maharashtra. In this event about 30 professors and students participated in this program.

The program comprised of a campaign **“My Language My Signature”**, Essay competition and wearing of **ethnic dresses**. For the ethnic dress sequence, the students marked their presence in various Indian costumes depicting and embracing the **Indian culture**. The next event in this series was Essay completion for which the topic was **“Bharatiya Sanskriti”** in which around 15 students participated out of which in the Hindi category, Harsh Deshmukh, B.C.A I year got the 1st Position, Monika Lalwani, B.C.A I Year got the 2nd Position and R. Neerja, B.Sc. II Year got the 3rd position. In the English category, Farkhanda Haider, B.C.A I Year, bagged the 1st Position, Shivangi Soni, B.C.A I Year, got the 2nd Position and Chanchal Sen, B.Sc. I Year, Got the 3rd Position.

The last program was “My Language My Signature” campaign which was organized to promote the habit of signing in Bhartiya Bhasha, for which more that 180 Professors and Students marked their presence with a signature in their own Indian language in both register and a Flex with a pledge “मेरी भाषा, मेरा हस्ताक्षर” written over it. A QR Code in big size cut-out was put over the signature board and everyone who signed, sent a selfie with their signature and uploaded it by scanning the QR code. This entire campaign was shared with the MOU Parner with the help of a Video clipping.

A dedicated session for enlightening Bharatiya Bhasha was also arranged with the help of Dr. Jaishree Wakankar, Head, Department of Arts, she told about how the Indian Language has evolved and changed from time to time and Mr. Raj Kishore Patel, Head, Department of History, who briefly told about the origin and development of the Indian language.

Outcome: Objectives are to acquaint the students and the youth about the inherent oneness of all Bhartiya Bhashas, i.e., the concept of ‘Bhartiya Bhasha Parivar’, to celebrate the rich variety and wonders of Bhartiya Bhashas, to make the students and the youth aware about the spiritual and cultural message emanating from the literature of all Bhashas, to show how language learning can be a fun and enjoyable experience, and to highlight the need to focus on Indian Languages for the development of the nation and “Ek Bharat Shreshtha Bharat”.

Name of the Activity:-Archeological and Historic Heritage of Maharashtra

Event Date :-25 January 2023

No. of Participants :-24

Event Report :As per the guidelines received from **University Grant Commission** dated 02/12/2021, as a part of Azadi ka Amrit Mahotsav, the 75 year of our Independence, a series of events were organized with the objective of upholding the spirit of **cultural exchange** initiative was celebrated at Shri Shankaracharya Mahavidyalaya on 25.01.2023 under Ek Bharat Shreshtha Bharat program in association with MOU partner, Dhote Bandhu Science College, Gondia, Maharashtra.

The Program was organised to acknowledge, understand and learn about the Archeological and Historic Heritage of Maharashtra. In the program, some historical places like Ajanta, Ellora, Ratnagiri Petroglyphs etc. were thoroughly discussed. Archaeological sites in [Maharashtra](#) encompass a number of forts built in ancient times. Some of the places have also revealed artefacts associated with ancient civilizations. The sites enlighten much about the

events of the past, the relics of which can still be witnessed. The architecture of the forts showcases the excellent artistry that prevailed in olden times whereas various articles discovered through excavations of other sites illuminate the lifestyle of early civilizations. They form ideal places for the study of different historical phases.

Outcome: The main motive behind organising this activity was to enlighten the students of our MOU partner about the archaeological heritage and to acknowledge the historical beauty of Maharashtra.

The Religious Place of Chhattisgarh program organized in online program under 'Ek Bharat Shreshtha Bharat'

Date - 30.11.2022

Program - The Religious Place of Chhattisgarh

Collaboration - Dhote Bandhu Science College. Gondia (Maharashtra)

'Ek Bharat Shreshtha Bharat' Campaign

Participant - 30

Mode - Online

A program related to the religious places of Chhattisgarh was organized in the online program under 'Ek Bharat Shreshtha Bharat'

On 30.11.2022 E.B.S.B. The group organized a program related to the religious place of Chhattisgarh along with Dhote Bandhu College.

Exhibition of religious places of Chhattisgarh was demonstrated through video under Ek Bharat Shreshtha Bharat program at Shri Shankaracharya College, as well as 10 major religious places of Chhattisgarh were also shown through audio video. All the students associated with Ek Bharat Shreshtha Bharat participated in this program and assistant teachers of Dhote Bandhu College, Mrs. Shubhangi Narde and Mrs. Sneha participated. A total of 30 participants ensured their participation in this programme.

Under this program, Academic Dean of the college, Dr. J. Durga Prasad Rao was involved. He said that the importance of the rich Chhattisgarhi culture and religious places is revealed in such programmes. Principal of the college Dr. Archana Jha was also present on this occasion. He said that the religious places of Chhattisgarh are very prosperous and have included their ancient culture in which major religious places were displayed through videos, so that we got information about them. So that the professors and students of Dhote Bandhu College Maharashtra also came to know about the importance of the religious place of Chhattisgarh.

The program was conducted and the vote of thanks was coordinated by Smt. Purnima Tiwari, Assistant Professor Education Department, of 'Ek Bharat Shreshtha Bharat Club'.

IQAC Coordinator Dr. Rahul Mene, Coordinator of 'Ek Bharat Shreshtha Bharat Club' Mrs. Purnima Tiwari, Assistant Professor Education Department and Assistant Professor of Computer Department Mrs. Poonam Yadav, Assistant Professor of Microbiology Department Rachna Tiwari and Assistant Professor of Physics Department participated in this program. Professor Harsha Singh Bais was present.

Guest lecture organized by computer department of Shri Shankaracharya College

MOU - Sai Mahavidyalaya, Sector 6 Bhilai

Date - 07.12.2022

Program - Guest lecture

Participant - 51

Speaker - Mr. Sushil Kumar Dubey Assistant Professor, Sai Mahavidyalaya, Sector 6 Bhilai

Collaboration - Sai Mahavidyalaya, Sector 6 Bhilai

A guest lecture on the benefits of digital literacy was organized by the computer department of Shri Shankaracharya Mahavidyalaya. The chief speaker was Mr. Sushil Kumar Dubey, Assistant Professor, Sai Mahavidyalaya, Sector 6 Bhilai (MOU Partner). You mentioned that today the progress of science and technology has enabled us to make electronic resources like mobiles and computers. Digital literacy is the ability to fully utilize those same resources. You gave detailed information about the benefits of digital literacy. While discussing PMG Disha Yojana, you encouraged the students to try to take this scheme to the rural areas, whatever you have learned, spread it to as many people as possible. College Principal Dr. Archana Jha said that at present everything is being done digitally so in future everyone needs to be digitally literate. Dean Academic Dr.J. Durga Prasad Rao, while highlighting the importance of this subject, said that every citizen is connecting with the world of internet, digital literacy is playing a huge role in the present and future growing economy and everyday life. Mr. Thakur Devraj Singh, Head of the Department Gave the vote of thanks.

05 days certificate training program

MOU - Anion Softech

Date - 05/01/2023 to 09/01/2023

Program - Certificate Training Program

Participant - 167

Speaker - Mr. Prashant N, Data Science Instructor, Anion Softech Andhra

Collaboration - Sai Mahavidyalaya, Sector 6 Bhilai

Event Report:-

Computer Department of Shri Shankaracharya Mahavidyalaya Junwani Bhilai and M.O. Organization of 05 days certificate training program on Machine Learning by partner Anion Softech

Computer Department of Shri Shankaracharya Mahavidyalaya Junwani Bhilai and M.O. The 05-day certificate training program on Machine Learning was inaugurated today by partner Anion Softech. The program was started with Saraswati Puja, after which the guests were welcomed by presenting saplings as per the tradition of the college. The chief guest in the program was Mr. Suresh Rao (Director Anion Softech, Raipur) and the Principal of the college Dr. Archana Jha, Dean (Academic) Dr. J. Durga Prasad Rao were present. Mr. Thakur Devraj Singh, Head of the Department, gave a welcome speech and you informed everyone about the complete outline of this 05-day training program, then Ishita Sharma, a student of MSC Fourth Sem, our today's keynote speaker Mr. Prashant N, Data Science Instructor, Anion Softech Andhra Introduced the state, today's chief speaker said in his lecture that machine learning is a branch of computer science, it gives the machine the ability to do its work on its own and develop the work. Algorithm is used in machine learning which provides the ability to think and understand. With the help of machine learning, one can predict and take important decisions. You explained the different types of Machine Learning in detail and also explained the difference between AI, Deep Learning and Machine Learning in a simple way by giving examples. Various models of machine learning were discussed and information was given about employment opportunities in various fields of machine learning. Regarding the employment opportunity in the field of Machine Learning, said that you can go in the fields of Data Scientist, Statistical Analysis, Advance Team Leader, Global Research, Analytics Manager, etc. Sharing his experience in the field of job dimension, said that in this field The graph of employment in India is continuously going upwards. In the coming time, there will be unlimited possibilities of employment in this field. You told that social media, biometric, telecommunication, e-commerce, banking and financial service, automobile, travel and hospitality etc. Areas are getting its benefits. In the middle and at the end of the session, he answered the questions asked by the students in a very interesting way and pacified the curiosity of the students. College Principal Dr. Archana Jha congratulated the department for organizing the program and said that this program would be very beneficial for the students. They will get to learn a lot on this subject which will prove helpful in employment.

The Dean (Academic) of the college, Dr. J. Durga Prasad Rao said that machine learning is such a discovery that has played an important role by joining our lives. Machine learning makes our life easier. You highlighted the various applications of machine learning. .

The program was conducted through both offline and online (Google Meet) mode so that students of various colleges could be benefited by joining it. At the end of the programme, the vote of thanks was given by Computer Science student Sobia (Fourth Sem.) and Computer Dept.'s Asst. Professor Mrs. Kavita Kushwaha, Mrs. Poonam Yadav, Mrs. Madhuri Verma, Jasleen Kaur and M.O. Students of partner Government Nehru Post Graduate College Dongargarh and Sai College and students of the college should be present in large numbers. Advanced students of computer department played a commendable role in making this program a success.

Event Report

Name of the Activity: - Story Writing Competition

Event Date: - 06-02-2023

No. of Participant: - 12

Event Report: - English department of SSMV organised Story Writing Competition. The theme of the story writing Competition was "Childhood Memories". Writing a short story helped the students to discover the fundamentals of writing in English as well as proper sentence structure. Competitions like this refresh the memories of the students and added little magic to their imagination. This competition wherein students from different departments participated, gave them a platform to express their ideas and views and to go through their nostalgic moment.

The competition was judged by Sandeep Jaswant, (H.O.D. Management, SSMV) and Dr.Krishna Jibon Mandal (H.O.D. Physics, SSMV). The results of the competition are-

S.NO.	NAME	CLASS	POSITION
1	Somitro Kajuri	B.A. III	I
2	Mokesh Kumar Sahu	B.Ed. Ist Sem	II
3	Sandhya Sahu	D.el.ed Ist Sem	III

Outcomes: - Through this competition, students developed their language skills. It broadens their understanding towards things fictional and nonfictional. Aside from these benefits, creative story writing was valuable too in a student's curricular exercises such as group writing classes or other writing workshops for his/her age bracket. It also helps them to develop self-confidence towards the things they love to do.

Divya Sahu , Divya , Yash Singh , Yash Bahd , Umang Verma , Versha Singh , Piyush Pandey , Fiza Parveen , Prakriti Pandey , Vivek Shrivastava , Swati Gupta .

Event Report:-

Student were sent for intership with our . alumni and well known entrepreneur , M.S Palak Golcha . they were apprised of nuances of business and management and motivated to think about start-ups and entrepreneurship.

Out comes:

Student is able to test the theoretical learning in practical situation by accomplishing the tasks assigned during the intership period . student is able to apply various soft skills such as time management , positive attitude and communication skills during performance of the task assigned in Intership Organization .

Photographs:-

2. Name of Activity: video making and presentation on “history of internet”

Event Date : 03/09/2022

Time : 12:00 to 2:00 pm
No. Of participants : 26
Total no. Of faculty : 06

EVENT REPORT :

1960, this is the year in which the internet started to share information s a way for government researchers. And, the first known MODEM and data phone were introduced by AT&T. The students of computer science department of Shri Shankara Mahavidyalaya decided to hold an event to discuss and interact on the topic of “History of Internet”. The event was hosted by students of BCA 1st year they shared their thoughts and opinions. The first recorded description of the social interactions that could be enabled through networking was a series of memos written by J.C.R. Licklider of MIT in August 1962 discussing his “Galactic Network” concept.

Then all the participants were invited to share their respective presentations. They also clarified some about Video Making on how internet evolved right from 1960 till now. Then the HOD of Computer Science Department concluded the event by sharing his thoughts on this topic and also thanked the students for showing their interest and making this event a success.

OUTCOME

The generous conclusion that comes out from this session is that students got to know about a lot of unknown facts through the topics and presentations. Students develop the skill of giving powerful and impacting presentations and speeches .the students enhanced their existing knowledge about Internet.

05] Name of the Activity – Teacher's Honour ceremony was organized by the Education Department on Teacher's Day.

Event Date: 07/09/22.

Event Report- On the occasion of Teacher's Day, Education Department of Shri Shankaracharya College, Junwani Bhilai, organized a teacher's honour ceremony . In which the principals of various schools were felicitated. On this occasion, Mrs. Kalpana Agrawal, Principal, Government Higher Secondary School, Chikhali, as an honorable guest. Mrs. Varsha Thakur, Headmaster, Government Higher Secondary School, Junwani, Mr. Alok Srivastava, Principal, Indu IT School, Kurud Road Kohak Mr. Ramesh Netam, Mr. Sarkhel Sir, Dr. J. Durga Prasad Rao and Dr. Archana Jha were present.

The program was inaugurated by lighting the lamp on the oil painting of Goddess Saraswati. The guests were welcomed by the plant. Program was started with the welcome address of Vice Principal Dr. Archana Jha. She highlighted the importance of teachers and said that B.Ed. Trainee are future teachers and the future builders of the country and society. School teachers and principals play an important role in training them. In fact, the personality development of the teachers comes from the contribution of the school. It cannot be ignored. Guests are honoured with shawls and ornamental earrings. The college unveils a new tradition, germination of seeds in bamboo basket, made nest out of coconut skulls and played a role in protecting the birds and also inspired the guests for the same. The purpose of the college behind this is that we should be connected to the environment in every way. If the ball is dropped or thrown, the seed will germinate anywhere and take the form of a plant anywhere and we are unknowingly playing its role in the environmental balance. Similarly, we throw away the coconut husks. If we make a nest and keep it somewhere, it becomes a bird's home. In this way we protect nature and both animals and birds.

6. Name of the activity: Celebration of International Literacy Day.

Event date: 08/09/22

No. of Participants: 66

Event Report: On the occasion of “**International Literacy day**”; the Women Cell “**VIVIDHA**” of Shri Shankaracharya Mahavidyalaya, Junwani, Bhilai, organized an Interaction program in which the students were enlightened about the importance of literacy in our lives. The respective speaker for the day was Dr. Archana Jha, Vice-Principal and Convener, Women cell. In this program, she discussed about a book “**Ret Ki Samadhi**” written by a Women author **Geetanjali Shree**, an Indian Hindi Language Novelist and Short story writer. This Novel has won an **International Booker Prize** in the year 2022. This Novel is based on the inner and outer strength of a women, who when decides to get free from all the boundations, starts exploring her world and extending her limitations. This year’s International Literacy day was based on the theme “**Transforming Literacy learning spaces**”; an

opportunity to rethink the fundamental importance of literacy learning spaces to build resilience and ensure quality, equitable and inclusive education for all.

Outcome: A program like this, not only teaches us something but it also makes us think about the meaning of life, importance of literacy and inner strength. This session left everyone mesmerized by the story of a women, it struggle, her redemption and her journey towards her

freedom.

Event Report:- Department of Microbiology, Shri ShankaracharyaMahavidyalaya, JunwaniBhilai celebrated the "**International Microorganisms Day**" in which the importance and benefits of Microorganisms were explained with the help of a PowerPoint presentation which enlightened all the aspirants that this day must be seen as an opportunity to promote the diversity and variety of microorganisms, a way to encourage everyone to recognize and celebrate the importance of microscopic organisms in human health, culture, economic activity, employment and, throughout our daily lives and not only as a threat. The students were simultaneously tested through a Google form to see how much information they have related to microorganisms, in which the performance of some students were commendable.

Outcome: Microorganisms are often viewed as a threat to society and not as a valuable asset. This event helped all the aspirants to understand the economical, industrial and medical importance of the microorganisms.

EVENT REPORT :

The students of computer science department of Shri Shankaracharya Mahavidyalaya decided to hold an event on the topic of “The Intersection of Mathematics and Deep Learning (Machine learning)”. The event was hosted by students of BCA 1st year.

The intersection of machine learning and mathematical logic — spanning computer science, pure mathematics, and statistics — has catalyzed recent advances in artificial intelligence and deep learning toward solving complex problems with predictive models. Math helps in understanding logical reasoning and attention to detail. It enhances your abilities to think under pressure and increase your mental endurance. Mathematical concepts give the real solution of hypothetical or virtual problems. It is about structure, developing principles that remain true even if you make any alteration in the components.

Then the HOD of Computer Science Department concluded the event by sharing his thoughts on the respective topic and also thanked the speaker for gracing the occasion and also the students for showing their interest and making this event a success.

OUTCOME

Motivated and encouraged students in view of Use of The Intersection of Mathematics and Deep Learning (Machine learning) and they have participated and exhibited their talent in the competitions. They learnt about new technical skills. Students develop the skill of giving powerful and impacting presentations and speeches .the students enhanced their existing knowledge.

13. Name of Activity: “Quiz competition”

Date : 24/09/2022

Time : 11:30 pm – 2:00 pm

No. of participants : 26

No. of faculty : 06

EVENT REPORT :

The event was organised by the students and teachers of the computer science department of shri shankara mahavidyalaya with the intention of testing student’s knowledge in specific fields like general knowledge, spirituality , technology,ancient indian history and cureent economic status and gdp of our country. But the greater aim behind this was definitely to make students gain extra information via these interactive rounds. So the host started with the first round of basic questions which were mcqs(multiple choice questions). Then the next round was answer in one word round where the participants were not given options. This round was the most interactive but the third round was the most entertaining one as it was an audio guessing round where they had to guess the song by it’s initial 15-30 seconds and then they had to answer the questions which were not just guess the singers but also was guess the composer , music label or other artists. This round just held the audience’s attention and they enjoyed to their fullest. The next and the last round was the rapid fire round where each of the teams had to answer 5-6 questions of each of the topics discussed above like spirituality, history , tech industry, finance etc. And each of them have to be answered in 15 secs. This round was excellently won by one of the teams from the department which was the team on the left, team b.

OUTCOME

The competition conducted was very interactive and knowledgable where the participants showed their maximum interest and got to know about a lot of unknown and interesting eye opening facts.

15. Name of Activity: “Awareness on mental health”

Date : 15/10/2022

Time : 12:30 to 2:00 pm

No. of participants: 54

Total no. of faculty: 6

EVENT REPORT:

10th of October every year is celebrated as mental health day across the globe and on 15th of October, 2022, the students of computer science department of Shri Shnakara Mahavidyalaya decided to hold an event to discuss and interact on the topic of mental health. The event was hosted by students of BCA 1st year they shared their thoughts and opinions on mental health of students and tried to explain the urge of talking about the topic of the mental disorders taking a toll over the students due to the unhealthy competition among them.

The next person very well explained how some sensitive life instances affect one's mental state by sharing his personal story. His words were indeed very touching and impactful.

After this, the next person was invited to share her content and she did a proper research on what are the symptoms and outcomes of a mentally ill person and she then discussed each of the topics that affect people's mental health and explained each of them in details and with proper clarity. She discussed topics like social media, male and female insecurities regarding their bodies, friend circle, smoking, drinking etc. Then she concluded her speech with some ways to overcome those illnesses without a therapy.

And her speech took the maximum time of the event and finally the HOD of the computer department concluded the event by expressing his emotions on the successfully held event and gave all the people some great and generous advice on how each of them presented their views on the topic and how the audience should extract the essence of that content.

OUTCOME

The generous conclusion that comes out from this session is that students got to know about a lot of unknown facts through the topics and presentations. Students develop the skill of giving powerful and impacting presentations and speeches. The students enhanced their existing knowledge about mental health, the definition of mental health etc.

Event Report: -The Education Department of Shri Shankaracharya Mahavidyalaya, on the occasion of National Education Day, this year, a program was organized remembering the contribution of Maulana Abul Kalam Azad, India's first education minister, in the field of education on the theme of 2022, "Changing Curriculum and Changing Education". In which the students were provided information about Maulana Abul Kalam Azad through a documentary film.

Dr. Archana Jha, Vice-Principal of the college while discussing the importance of curriculum in teaching-training, said that education is a social process, which is an effective tool for social change and social control. Therefore, it is the main need to develop the curriculum for the future needs and changes of the society and the nation, and while discussing the changes in the curriculum according to the new education policy by the Head of the Department, Dr. Neera Pandey said that the education policy in India has been changing from time to time. The most important feature of the policy is that it has accepted a uniform educational structure for the whole country.

All the professors of the education department were present in this programme.

Outcomes: -Awareness about National Education Day and also got information about Maulana Abul Kalam Azad.

Date : 12/11/22

Time : 11:30 pm – 2:00 pm

No. of participants : 15

No. of faculty: 5

EVENT REPORT :

The event was the outcome of a given task to the students of first, second and third year students of bca(bachelors of computer applications) department specifically to create a website with all its important elements like home page , images ,questions forms , etc. The task was very well accomplished by the students of 2nd and 3rd year of the bca department. The first presentations were shown by the students of 3rd year who had put tremendous efforts in making their website which was mainly for tourist attraction . The layout and the presentation of the website was stunning and so was the content. Similarly , the next websites displayed were from students of first and second year which primarily focused on the local yet spiritual and ancient tourist places. The colours and the font types that they chose were exceptionally outstanding. After all the websites were shown , our honorable hod sir, mr devraj thakur, ended the event with a

positive note in order to motivate the participants and cheered them up .Thus, the event ended with a positive enthusiasm in students .

OUTCOME

The event was made successful by the energetic and passionate participation of the students and the constant guidance and support by all the teachers of the computer science department, especially , the head of department , sir devraj thakur. The purpose of the event was fully satisfied by the spirit of learning and teaching via the enthusiastic students and the supportive teachers.

25.Name of the Activity: -Community Camp for B. ED., M.ED. Trainees, Kaivalyadham Village- Rampur

Event Date: - 18/11/2022

No. of Participant: - 300

Goal - B. Ed. Rural area development survey work by trainees

Objective B.Ed. Understanding of rural environment by the trainees. Understanding the problems prevailing in the village through teaching trainees and making people aware through cultural programs. To develop a sense of sociability among teaching trainees, to organize a program of guidance and counseling.

Program: Nukkad Natak was organized by the B. Ed trainees under voter awareness in village Rampur, as well as the means of earning their livelihood, information about the economic conditions of the family was obtained through the survey.

After this, a rally was taken out to bring awareness against voter awareness, Swachh Bharat Abhiyan, Beti Bachao Beti Padhao, drug eradication, many evils, evils and superstitions in the society, in which slogans were raised by the trainees and information was provided to them.

Outcomes: - Community Camp is an immersive learning experience. The purpose of the camp is to empower young people with the skills, knowledge and conviction to participate in democratic and public life. After the completion of camp, the student teacher: Develop awareness about community life. The camp activities provide scope for developing both social and communication skills.

Community Living camp will be conducted at a rural area near the college. Camp provides students with a community of caring adults, who nurture experiential education that results in self-respect and appreciation for human value. The outcome brings in self-identity, self-worth, self-esteem, leadership, and self-respect build personal competencies. These personal competencies are reflected in the four "C's" of the camp community: compassion, contribution, commitment and character and these qualities will help to build a successful nation and a civil society. The teacher students have a sense of community, develop intergenerational relationships, and learn through first-hand experiences.

28. Name of the activity-Educational visit on national pollution control day

Event Date- 2-12-2022

No. of Participants- 45

Event report-

On the occasion of “National Pollution Control Day (December 2)”, Department of Botany of Shri Shankaracharya Mahavidyalaya took the students on an educational tour to village Khamhariya and Junwani, district-Durg, Chhattisgarh. Boys and girls were given information about ecological density, frequency and abundance, herbarium technique and identification of wild plants and their importance in this rural area. Went. Along with this, the study of pollution related information, their source and control in these rural areas Khamharia and Junwani was done by the students. The students were also provided information about the diseases and their origin in the plants of the particular area visited.

During the visit, the students were given detailed information about the availability of plants and their importance in that area. Students learned all the practical work during this educational tour and showed the report of all these in the Botanical Department of the college. Specific information about herbarium techniques, plant collection and their pressing filing was given and the students collected different species of plants for herbarium.

Head of the Department of Botany Ms. Varsha Yadav explained in detail to the students the identification of plants and their properties, use and usefulness and assistant teacher Mrs. Manju Mishra also cooperated. College principal Dr. Archana Jha took feedback from the students and told them about pollution. And gave information about the measures to deal with them and gave important advice not to use pollution generating items in our own daily life And the Dean of the college Dr. Jai Durga Prasad Rao assured to organize such educational tours in future also.

Outcome-

Field trips also help in improving students social and interactive skills. Taking part in field trips is one of the best ways to make learning students outside the classroom. They rather they also help in allowing them to learn, absorb and experience things practically.

29. Name of Activity: “Celebration of computer literacy day”

Date : 2/12/22

Time : 12:00 to 2:00 pm

No. Of participants : 19

Total no. Of faculty : 6

EVENT REPORT :

On the occasion of computer literacy day on December 2nd, 2022, the computer science department Shri Shrishankara Mahavidyalaya organized an event in order to provide some valuable information on computer literacy. The first event was held by Shivangi Soni, she gave an introductory speech on computer literacy informing about basic computer knowledge and mentioning the difference between computer and digital literacy.

Computer literacy is defined as the knowledge and ability to use computers and related technology efficiently, with skill levels ranging from elementary use to computer programming and advanced problem solving. Computer literacy is defined as the knowledge and ability to use computers and related technology efficiently, with skill levels ranging from elementary use to computer programming and advanced problem solving.

The next presentation was presented by Riya Sahu which was a presentation on generations of computers created by Ayush Singh Rana, Thanendra Singh, and Himanshu. The well-designed presentation was presented even more gracefully and the audience listened patiently and showed their maximum interest in the topic.

Then the program was headed by the hod sir of our computer department via a short and wrapping conclusion.

OUTCOME

The generous conclusion that comes out from this session is that students got to know about a lot of unknown facts through the topics and presentations. Students develop the skill of giving powerful and impacting presentations and speeches .the students enhanced their existing knowledge about computer and digital literacy,cyber security, ethical hacking, github designing.

The program started with the Saraswati Pujan and Saraswati Vandana sung by Ritu Srivas and Mitalee Patel. Then there was a welcome Chhattisgarhi folk dance by B.Ed. student. After that the program started with the welcoming of the guest. Dr. Sushma Dubey Mam welcomed Dr. J. Durga Prasad Rao sir with a pot with saplings. All the teachers were welcomed by the students with a sapling. Saplings were offered with a thought that it can bring peace and happiness to the mind of the person and to save environment. After that, the cultural event i.e., Drama competition (mono act and Group Act) started. The judges of the occasion were Dr. Rahul Mene and Mrs. Preety Srivastava. There were some very amazing performances in both category solo and group. The monoact was on the theme Depression, Acid attack, Discrimination, Story of Nirbhaya and importance of Time. The group act was on the theme- Women Empowerment, Nasha (addiction), "Hindi Bimaar Hai", Education and Save girl child. A special performance was given by Himanshu Sahu on "Examination Fear". There was hard competition among the participants. All the performances were so exciting that the audience enjoyed them very much. At the end of the program, there was the prize giving session. But before it, the special guest Dr. J. Durga Prasad Rao gave a speech. In her speech he put stress on the necessity of extracurricular activities of the students, also he spoke about the social issues in India which was the theme of the competition. He thanked the teachers and the students for organizing such a wonderful cultural event. After this, the judges came on stage for the announcement of results and to share their valuable points on the performances.

Mono Act Winner is – Group 4 winner,1st runner-up – Group 3,2nd runner-up – Group 1.

Group Act Winner is -Winner – Group-4,1st runner-up – Group-3,2nd runner-up – Group-1

The anchor of the event was Aurore Nayak. The program ended with the thanks-giving speech by Dr. Neera Pandey Mam (HOD, Education). The event was a great success with an amazing experience for all the students and guests.

Outcomes :- Parody use humor as a tool to effectuate a message, the purpose of a parody is to comment on or criticize the work that is the subject of the parody. Parody is important because it allows us to criticize and question without being aggressive or malicious. Parody imitates, stresses, and draws attention to certain features, characters, or plot points which are weak, silly, strange, or subject to criticism of any sort.

32. Name of Activity: “Benefits of Computer Literacy”

Date : 07/12/22

Time : 11:30 pm – 2:00 pm

No. of participants : 15

No. of faculty –: 5

Guest Name : Shri Shushil Dubey
Sai Mahavidyalaya, Sector-6, Bhilai

EVENT REPORT :

“Computers are omnipresent and Digital Literacy is requisite” keeping this in consideration the Department of Computer Science through Power Bytes – Computer Club hosted this event on 12th November 2022 which was aimed to create awareness and encourage the students about the efficient use of computer science domain in their day-to-day life, and also motivating them to learn new skills in the domain.

World Computer Literacy Day was first marked in 2001 by an Indian company, the National Institute of Information Technology (NIIT) to celebrate the 20th anniversary of the institute. The day was initiated in response to a study that said that majority of computer users in the world are men. All the students were enlightened by the progressive speech given by our guest speaker. Then the program was headed by the HOD sir of our computer department via a short and wrapping conclusion.

OUTCOME

Motivated and encouraged students in view of Benefits of Computer Literacy and they have participated and exhibited their talent in the competitions. They learnt about new technical skills. Students develop the skill of giving powerful and impacting presentations and speeches .the students enhanced their existing knowledge.

33.Name of the Activity :- Human Rights Day (मानव अधिकार दिवस)

Event Date :- 10.12. 2022

No. of Participant :- 196

Event Report :-

A program was organized on the occasion of Human Rights Day under the joint auspices of Arts Faculty of Shri Shankaracharya Mahavidyalaya, Junwani and Government Primary School, Junwani. In this programme, Principal of the college Dr. Archana Jha said in her address that Human Rights Day is celebrated every year on December 10 in memory of the Universal Declaration of Human Rights.

This declaration was universally approved by the United Nations General Assembly on 10th December in 1948 to recognize the importance of promotion and protection of human rights. He also explained that human rights are the inalienable rights that every human being is entitled to by birth irrespective of race, caste, creed, sex, language, political or other belief or any other status. The Principal administered the oath to the students to be aware of their human rights and to respect the rights of others.

About 196 students were present in the said program, along with Mrs. Rajni Sharma, Principal of Government Primary School Junwani, Dr. V.K. Singh, I.Q.A.C. Coordinator Dr. Rahul Mene, Head of Department of Education Dr. Neera Pandey, Head of Department of Faculty of Arts Dr. Jayshree Wakankar, Head of Department of Sociology Dr. Mahendra Sharma, other professors and students of School, Education Department and Faculty of Arts were also present.

34. Name of the Activity - TEAM AAGAAZ 'FUN FAIR - Aanand Mela'

Event Date: - 10/12/2022

No. of Participant: - 124+150+

Event Report: - Department of Education B.Ed. 1st Semester Conducted a Food Fest Titled 'Fun Fair - Aanand Mela' In Government Middle School Junwani Bhilai. The Event Was a Great Success in Term of Wide Variety of Food, Games and Creative Decorations of Stalls. In This Event Every Group from B.Ed. 1st semester Participated in fun fair i.e., Indravati, Shivnath, Arpa, Hasdeo & Mahanadi. The Group Names Were Given by Indicating Famous Rivers of Chhattisgarh. This Event Was Inaugurated with Ribon Cutting by Our Chief Guest Mrs. Rajni Sharma Principal of Govt. Middle School Junwani Bhilai Special Guest Mrs. Varsha Thakur Principal of Govt. Higher Secondary School Junwani Bhilai. This Event Was Headed by Dr. Archana Jha Principal of Shri Shankaracharya Mahavidyalaya Junwani Bhilai in The Presence of Every Teacher from The Educational Department. The Event Started with The Enlightenment of Diyas & Saraswati Vandana Presented by Our Host of This Event Suraj Pandey Along with Vidhya Gupta. After That as A Respect for Our Nation, National Anthem Was Done, With Taking an Oath for Following and Respecting Our Human Rights.

Guests welcomed by Ganesh idol made up of coconut.

Later on, our guests went to every stall for testing sweet, spicy & delicious food & they played games too, presented by every group. in this 'fun fair' every group presented their delicious food with their interesting games. children loved their foods & got fully entertained by their games. there was a huge crowd in every stall everyone enjoyed the event. teachers from every department were also present to encourage us and everyone gave their experience in written in our visitors' book. in this fest foods and games were given and played by the system of coupons of 5 to 30 rupees. if u has to play games or have to eat foods first you have to take coupon from the counter then only you can enjoy food or games. winner for this event was also decided by the selling of coupon, whoever sells a greater number of coupons should be winner.

Dishes And Games by Groups-

Shivnath Group prepared **Idli Fry & Shahi Tukda** and the game was -Coin in The Bucket. **Indravati** group prepared-**Pani Puri, Pasta & Cake** and the game was Throw 10 Balls In 20 Sec. **Arpa** group prepared **Murra Bhel & Suji Halwa** and the game was **Blow the Balloon**. **Hasdeo** group prepared **Fruit Pudding & Papadi Matar Chaat** and the game was **7 Up 7 Down**. **Mahanadi** group prepared **Lemon Rice, Bhel & Gajar Ka Halwa** and the game was **Hit the Glass By Ball**.

By the counting of coupons winners were decided. FIRST- TEAM HASDEO (COUPAN SOLD 5010), SECOND - TEAM INDRAVATI (COUPAN SOLD 4980) THIRD - TEAM SHIVNATH (COUPAN SOLD 3235) FOURTH - TEAM MAHANADI (COUPAN SOLD 2250) FIFTH - TEAM ARPA (COUPAN SOLD 1010). There was a Special and Surprise Award for Maintaining Hygiene and Discipline in The Stall and Was Given To – Team Mahanadi.

AFTER THE COUNTING PRIZE WAS DISTRIBUTED BY Dr. ARCHANA JHA MAM WITH HOD Dr. NEERA PANDEY MAM ALONG WITH ALL THE TEACHERS OF EDUCATIONAL DEPARTMENT. AFTER THE EVENT GROUP MEMBERS WERE CLEANED THE SCHOOL PREMISES.

Outcomes: - learning teaches students how to manage their time effectively, prioritize work, follow a schedule, and respect deadlines. College activities provide opportunities for students to interact with their peers and form new connections. To expose students to meet the practical challenges in the current business scenario. To encourage students to become event managers. To build self-confidence and proactive approach.

श्री शंकराचार्य महाविद्यालय के शिक्षा विभाग द्वारा आनंद मेला का आयोजन श्री शंकराचार्य महाविद्यालय जुनवाली, भिलाई के शिक्षा विभाग के वी.एच. प्रथम वर्ष की समूह कार्यकर्ता के अंतर्गत हस्तदेव समूह, अनाम द्वारा प्राथमिक एवं माध्यमिक विद्यालय, जुनवाली में आनंद मेला का आयोजन किया गया। इस कार्यक्रम में वी.एच. प्रथम वर्ष के महिला समूह इन्द्रावती, विद्याधर, अरुण, इन्दौर और महानदी समूह ने हिस्सा लिया।

कार्यक्रम में मुख्य अतिथि श्रीमती रजनी शर्मा, प्रधानाचार्य, पूर्व माध्यमिक विद्यालय, जुनवाली, विजिड अतिथि श्रीमती वर्षा ठाकुर, प्राचार्य महासंघीय उच्चतर माध्यमिक विद्यालय जुनवाली रही। कार्यक्रम की अध्यक्षता डॉ. अशोक झा, प्राचार्य श्री शंकराचार्य महाविद्यालय, जुनवाली, भिलाई ने किया। कार्यक्रम का सुसंभाल पीरिज करंटकर किया गया। कार्यक्रम में सरकारी के टेल विड पर सत्यापन एवं वीडियो प्रकाशन कर सरकारी वेबटन के साथ किया गया। कार्यक्रम अतिथियों का स्वागत महिला व मोटीय छात्र से बने गणेश भोक्कर किया गया। महाविद्यालय की प्राचार्य ने समूह एवं महाविद्यालय के शिक्षार्थियों, समस्त शिक्षक एवं प्राचार्यवर्ग को मानवसिद्धि विद्या पर शोध दिशाओं और बहुत ही दूर सांस्कृतिक को अपने देश के प्रति करतव्य और निष्ठा का प्रतीक बनाने का निर्देश दिया। आनंद मेला में विभिन्न समूहों द्वारा मेला एवं नमस्कार के बीच पर विभिन्न प्रकार के व्यंजनों का प्रदर्शन किया गया। सभी के लिए विभिन्न प्रकार के खेल का भी आयोजन किया गया। इस अवसर पर सभी छात्रों में भीड़ भी मकर जा रही थी। सभी शिक्षार्थियों ने आनंद मेला का पूरा लाभ उठाया। महाविद्यालय के वैश्विक कार्यवाही एवं स्वागत के

विशेषताओं को आनंद मेला में आनंद उठाने में पीछे नहीं रहे। कार्यक्रम में व्यंजनों का खरीदने का प्रायोजन रखा गया था। इस आधार पर प्रथम स्थान पर हस्तदेव समूह, द्वितीय स्थान पर इन्द्रावती समूह, तृतीय स्थान पर शिक्षाधर समूह तथा महानदी एवं अरुण समूह को संतुष्टि पुरस्कार प्रदान किया गया। इसके अतिरिक्त अनुसूचित एवं स्वच्छता के लिए महानदी समूह को पुरस्कार किया गया। आनंद मेला से प्राप्त लाभ की राशि को सामाजिक कार्य हेतु हस्तदेव समूह ने दान करने का संकल्प लिया। कार्यक्रम का संचालन वी.एच. प्रथम वर्ष के छात्र सुख पांडेय एवं विद्या गुप्ता ने किया।

35.Name of the Sports Activity:- “Hunar 2022” Annual Sports Festival

Event Date:- 12/12/2022 & 13/12/2022

Number of participants:- 214

Report

A two-day annual sports festival was organized on 12 and 13 December 2022 under 'Hunar 2022' at Shri Shankaracharya College. The sports festival was duly inaugurated by the Principal of the college, Dr. Archana Jha and Dean (Academics), Dr.J. Durga Prasad Rao did it. Initially, he was welcomed by presenting saplings as per the tradition of the college. Apart from the Principal and Dean Academics, in-charge of 'Hunar 2022' Dr. Anita Pandey and Mrs. Preeti Srivastava, NAAC Coordinator Mr. Sandeep Jaswant, IQAC Coordinator Dr. Rahul Mene, Sports Officer Dr. V.K. Singh and administrator Dr. S.K. Srivastava were present.

In her address, the Principal of the college, while congratulating the players, said that sports is an integral part of our life which keeps us mentally and physically fit and healthy. It is not important to win or lose but to participate enthusiastically in the competition.

Dean (Academic) Dr. Rao said that the game should be played in the spirit of sports and maintain mutual harmony.

Outcome

Sports, academic and cultural programs are being organized in the five-day program where students will get an opportunity to display their talent on stage. Along with this, he explained in detail about the competitions organized in five days

Result

A total of four competitions were organized in the sports festival in men's and women's categories - badminton, table tennis, claw wrestling and bucketball. Its results were as follows.

Bucket Ball:- Women's Category Men's Category

Winner – Ayushi Gupta B.Sc-3 Rishabh Singh B.Com-1

Runner Up P.Vedika B.Com.-1 Shubham Verma B.A.-2

Badminton:-

Winner – Prakamya Pandey B.A.-2 Harshvardhan Girigoswami B.A.-1

Runner up- Ekta Gurudutt B.Com.-1 Sankalp Gupta B.Com.-3

Table-Tennis:-

Winner – Parkhanda Haider B.CA-1 Ahram Siddiqui B.Com.-2

Runner up- Divya Bhandale B.C.A.-1 Ashish Pratap Singh B.Com.-3

Claw-wrestling:-

Winner – Aditi Tiwari B.Com.-3 Pranay Nivar B.Com.-3

Runner up- Anubha Singh B.Com.-3 Aman Sinha B.Com.-3

A competition for teaching and non-teaching staff was organized on the second day, the result of which was as follows:-

Table-Tennis:-

Winner – Harsha Singh Bais Dr. Rahul Mene

Runner up- Madhuri Verma Vikas Chandra Sharma

Claw-wrestling:-

Winner – Sonia Verma Rajkishore Patel

Runner up- Soni Yadav Vikas Chandra Sharma

Bucket Ball:-

Winner – Priya Prajapati Dr. Virendra Kumar Singh

Runner up- Madhuri Verma Rajkishore Patel

Badminton:-

Winner – Kavita Kushwaha Albert Tandi

Runner up- Priya Prajapati J. Durga Prasad Rao

In this way the two-day sports competitions ended.

36. Name of the Activity :- Educational Tour

Event Date :- 17.12.2022

No. of Participant :- 58

Event Report :-

Hunar 2022, organized by Shri Shankaracharya Mahavidyalaya, Junwani Bhilai, on the sixth day, the educational tour was organized by the Faculty of Arts. In this educational excursion, all the students were taken to visit the famous tourist place Dhaskund in Mahasamund district and Laxman temple of Sirpur. By going to Dhaskund, the students cleaned and raised slogans related to cleanliness at various places.s

Due to which the public coming for tourism was given a message to maintain cleanliness at the tourist place. After this, after reaching Sirpur, the students were informed about the specialty of Laxman Temple and about the ancient remains obtained by the Archaeological Department. The ancient temple of Gandeshwar Mahadev, located in Sirpur itself, was taken for darshan. Gandeshwar Mahadev is situated on the banks of Shivnath river, its shade is picturesque and unique. The educational tour was organized by the Faculty of Arts. On this occasion, students and professors of Arts Faculty and professors of other faculties were also present.

Photographs :-

37. Name of Activity : 'Mathematical Day

Day 1 and Day 2:

On the occasion of the birthday of Srinivasan Ramanujan, 'Mathematical Day' was organized by the Mathematics Department of Shri Shankaracharya Mahavidyalaya, Junwani Bhilai. This competition organized on 22 Dec 2022. On this occasion, video, power point presentation, sketch, bar code, were demonstrated by the graduate students. In this program, the students discussed in the group and told about the famous Indian mathematicians through Video. Famous Indian mathematician Arya Bhatt discovered 'zero', G.H. Hardy explained his achievements in number theory and mathematical analysis. He was

the teacher of the Indian Mathematician Sri Nivasan Ramanujan. The Twins Prince G stated that a twin prime is a prime number that is either two less than or two more than any other prime number. The students told Mathematicians have a great contribution in the field of mathematics through power point presentation. The credit for the invention of zero goes to the Indians. Arya Bhatt, Brahmagupta, Ramanujan ji, Shakuntala Devi, Neena Gupta etc. have been great mathematicians in India, who have made their name not only in India but in the whole world by their work. The age calculator, currency calculator, Vedic maths etc. were demonstrated through QR code and also the sketch of great mathematician Srinivasan Ramanujan was also displayed in this program. Principal of the college, Dr. Archana Jha congratulated the professors for the success of the program and also encouraged the students to organize programs on other important subjects in future.

Academic Dean of the college Dr. J. Durga Prasad Rao appreciated the students present in the program and congratulated the students. Mathematics Department Head Mrs. Preeti Srivastava proposed vote of thanks.

A large number of students including Mrs. Usha Sao, Mrs. Priya Prajapati, Assistant Professor of Mathematics Department were present in this program.

DAY 3:

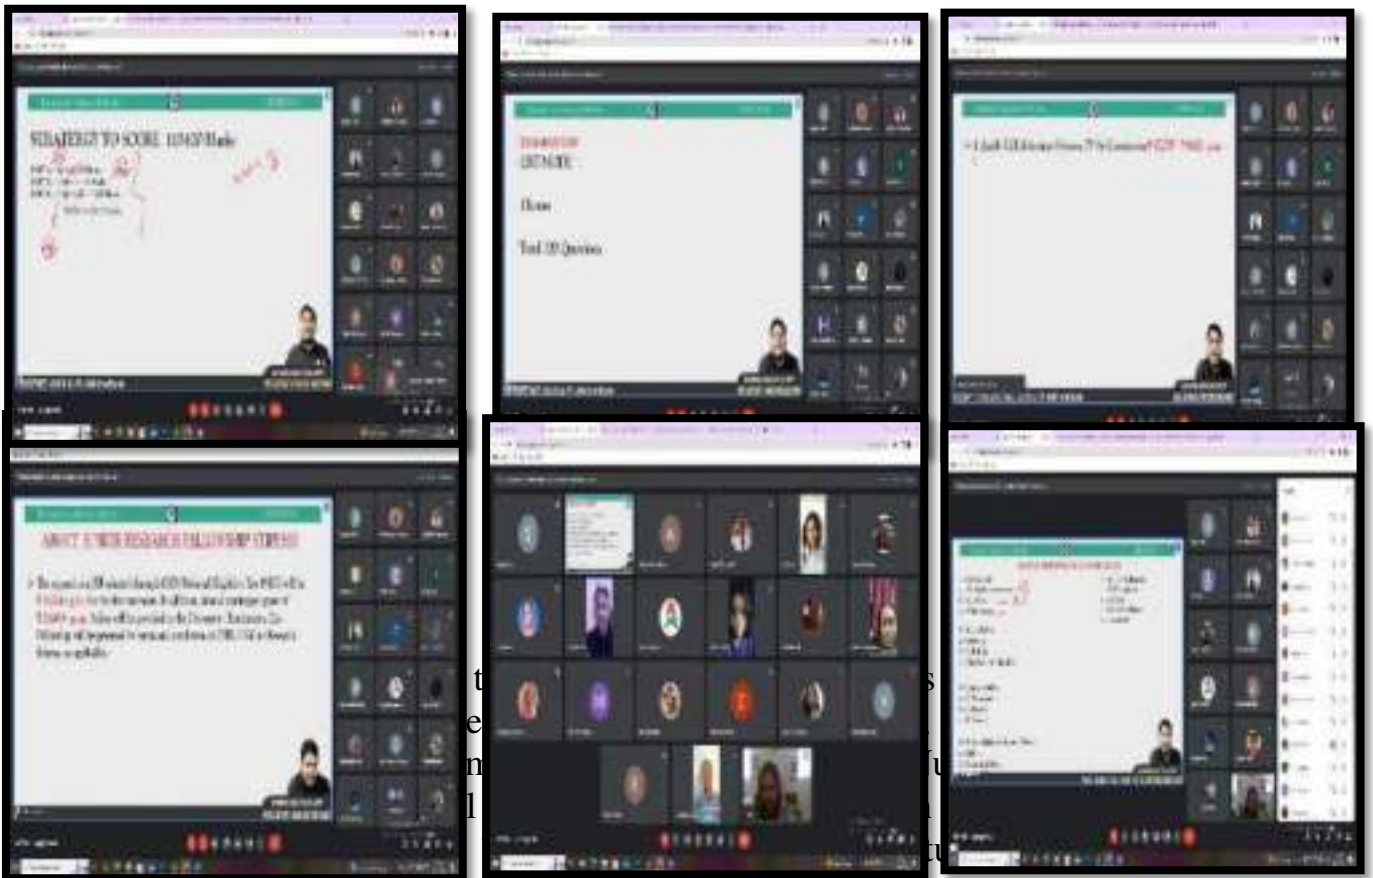

Department of Mathematics of Shri Shankaracharya Mahavidyalaya, Junwani, Bhilai is organizing 7 days program Sponsored by Council of Science & Technology, Raipur on theme 'To make Students aware of the importance and significance of mathematics in today's time'. Mathematical Day is being organized on the occasion of 135th birth anniversary of Sri Nivasan Ramanujan.

On the Third day webinar Organized on the topic "Strategies to Crack Competitive Level Examination in the field of Mathematical Science" in Association with "Institute for Advanced Studies", Pune on 04/02/2023.

The purpose of the webinar is to giving knowledge regarding competitive exam like NET, SET, IIT, GATE etc. The session was taken by Mr. Chandan Kumar, Assistant Professor. In their session they enlighten both of the Graduation and Post-Graduation Students. In this session he explain eligibility criterion, syllabus,

how to crack above competitive exam in easy way to, about junior Research Fellowship Stipend and many more.

students Participated in this competition with great enthusiasm. This type of competition encourage the student and beneficial for the Future.

Day 5:

On fifth day, the Guest lecture was taken by Dr. M.S. Gupta, Assistant Professor of NPG Science College, Raipur. The Topic of the session was **'Does Mathematics Exist Everywhere?.'** In his session he explained all the use of mathematics in Managing time, Budgeting, Sports, Cooking, Exercising and Dieting, Driving, Home Decorating, Stitching, Critical Thinking, also explain mathematics is the base of other Subjects, etc. and said that math is very useful in everyday life and math can help us do many things that are important in our everyday lives.

Day 6:

On the Sixth day of program workshop was held. The Key-note speaker of the workshop was Mr. Suresh Pathak, Head of computer Department in IG Govt of Art and Science College, Rishali, Bilhai. The topic of Workshop is **“Use of Mathematics in Computer Programming”**. In his session he explain five type

of basic Math used in Computer science i.e. Calculus, Linear Algebra, Binary Mathematics, discrete Mathematics, and statistics. He explained all the topic in easy way and the session was very beneficial for the student. He also motivate the student toward mathematics.

On the Seventh day, the Workshop was taken by Dr. Mamta Singh, Assistant Professor, Sai College Sector- 6, Bhilai. The Topic of the Workshop was “LATEX”. The Objective of the Programme was to make students aware about Latex Report Writing and its importance, to develop student skills to prepare project reports and research papers in LATEX by using different LATEX commands and to create the environment where students can learn from students itself and motivate students to develop skills to deliver workshop. She also explained use of LATEX in Mathematical Formulas.

News Paper C

Link:

http://sundaycampus.com/2023/02/शंकराचार्य-महाविद्यालय-171/?utm_source=WhatsApp&utm_medium=IM&utm_campaign=share

Outcome:

Mathematics is an integral part of our daily lives. The main purpose for celebrating National mathematics day is to improve self confidence among students. Mathematics exhibition not only improves gifted children but also helps in bringing desired changes in average and slow learners. For those who lost interest in mathematics due to its abstract nature, mathematics exhibition can change their attitude after understanding the concepts in a concrete manner. Students can develop interesting models and demonstration value can make them more appealing. Above all, there is a very high chance of appreciation from people who see these models and all the creative work done by the student and teacher, which in turn inspires students to think and work with more enthusiasm and self-confidence. We wish them a bright future and pay gratitude for their committed performance.

38. Name of the activity- Prepare a Green Zone (Oxygen Zone) at college campus and perform vermicomposting

Event Date – 10-01-2023

No of participants- 35

Event Report-

On 10-1-2023, by the Department of Botany, students of B.Sc. were formed Zone Green (Oxygen Zone) in the college campus and performed vermicomposting techniques and made vermicompost.

Keeping in mind the environmental protection, the students constructed Oxygen Corridor (Green Zone) in the college campus where plants were planted by the students to control various environmental pollution. Students planted Amla (*Emblica officinalis*), Neem (*Azadirachta indica*), Tulsi (*Ocimum tenuiflorum*), Aloe Vera (*Aloe barbadensis*), desert plants and ornamental plants etc. in this oxygen zone.

Head of the Department of Botany, Ms. Varsha Yadav, told the students about the uses of these plants and while giving information about vermi-compost, she told that vermi-compost is an excellent bio-fertilizer rich in nutrients. It is made by decomposing vegetation and food waste etc. by insects like earthworms. Vermicompost does not have any smell and flies and mosquitoes do not grow and the environment is not polluted. By controlling the temperature, the bacteria remain active and active. Vermicompost is ready within one and a half to two months. It contains 2.5 to 3% nitrogen, 1.5 to 2% sulfur and 1.5 to 2% potash. Vermicompost contains essential nutrients in abundant and balanced quantities. It is much cheaper than chemical fertilizers. Vermicompost is prepared from cow dung and crop residues, hence there is less dirt. The environment remains safe.

Principal of the college, Dr. Archana Jha appreciated this program and inspired the students to make compost at their homes also. Dean of the college, Dr. J. Durga Prasad Rao encouraged the construction of green corridor of the campus and encouraged such programs in future too.

Outcome-

Green zone effectively reducing carbon footprint. By reducing pollution, they are also reducing the amount of energy that is being consumed, thereby making way for a greener and cleaner environment. Spending time in or near green spaces can help reduce stress and anxiety. Reduced environmental hazards – Green spaces can help to reduce levels of air pollution

39. Name of the Activity : Group dance performance on theme ‘ Retro to Metro’

Event Date :- 19/01/2023

No. of Participant :- 200 +

Event Report :- On the celebration of new year, a group dance performance organised by members of Group 5 of education department. The theme of the performance was ‘Retro to Metro’. Dr. J Durga Prasad Rao Sir, (Academic Dean) and Dr. Archana Jha Ma’am (Principal) were present as chief guest of our function. Our Respected Dr. Neera Pandey Ma’am (HOD of Education Department) and all the professors are also present in the function. The program started with lighting of diyas and saraswati vandana . Saraswati Vandana presented by Nidhi & Sapna. Then a welcome dance is performed by Himanshu, Mokesh & Shiva. After that, all the honourable guest were welcomed with Decorated coconut ganesh. Then, dance performance started with excitement & happiness. All the groups were given their best

Performance. Everyone appreciated their performance and their effort. Our honourable guests were also appreciated the dance performance of each & every group. **Vote of thanks was given by Dr. Neera Pandey Ma'am(HOD of Education Department) . The event was hosted by Subhi Sinha & Sushita Kujur. And beautiful Poetry(shayari) was given by Anmol Tiwari. Everyone appreciated the efforts done by members of group 5 under the guidance of Mrs. Poornima Tiwari Ma'am. Everyone enjoyed the program and then finally our program came to an end.**

Outcomes :- Retro style is imitative or consciously derivative of lifestyles, trends, or art forms from history, a platform to shine and bring back memories of the good old days

With an aim to help students understand the important values of life

40. Name of the Activity: Education Department Celebrates “BASANT PANCHAMI”

Event Date :- 19/01/2023

No. of Participant :- 200 +

Event Report :- Dedicated to Goddess Saraswati, Basant Panchami marks the arrival of the spring season in India. Saraswati is goddess of knowledge, music, learning& arts. It is believed that without the blessing the world would be shrouded in the Ignorance. Dedicated to Goddess Saraswati, Basant Panchami marks the arrival of the spring season in India. Saraswati is goddess of knowledge, music, learning& arts. It is believed that without the blessing the world would be shrouded in the ignorance, as she represents enlightenment.

With the arrival of spring season, Basant Panchami was organized in our Shri Shankaracharya Mahavidyalaya for the worship of Vidya Swaroopa Mateshwari with great enthusiasm and joy in the education department of the college on 25th January. In the worship of Maa Saraswati, all the teachers including the principal and all the B.Ed. The students were involved. The Students created an amazing ambience using flowers, rangoli and garlands. The program started with Saraswati Vandana as per Indian tradition and lighting of the lamp by Dr. J.Durga Prasad Rao Sir, Dean Academics, Dr. Neera Pandey Ma'am and other teachers. Mother Saraswati was praised through mantras and recitation and flowers were distributed to all the people. After the teachers, the students also felt blessed to get the blessings of the mother by performing aarti in turn. Suraj Pandey helped in the recitation of the mantras. Teachers and students were dressed in orange, yellow, white and other colorful costumes. In the last, Mata's prasad was distributed as a blessing to everyone, the whole environment was tied in the thread of unity.

Basant Panchami festival celebrated with the aim of making everyone aware of the history and importance of the day. Basant Panchami symbolizes prosperity, optimism, energy of positivity.

41. Name of the activity: Celebration of National Girl Child Day

Event date: 24/01/2023

No. of Participants:23

Event Report: On the occasion of “National Girl Child Day” the Women's Cell “VIVIDHA” Shri Shankaracharya Mahavidyalaya Junwani Bhilai organized a “Student Interaction program on Reading of the success story of women published in today’s newspaper”. The articles published in today’s newspaper about the achievement of women and the rights given to women by the Indian Constitution well read by Ananiya Malekar student of M.Sc.-IV semester Microbiology and Rashmi Thapa student of M. Sc. II semester Microbiology.

The National Girl Child Day was first organized by the Ministry of Women and Child developed in 2008. The primary objective of celebrating this day was to raise awareness about the inequality, gender discrimination and the rights of girl child as well as the significance of education, nutrition and health.

Outcome: The basic motive behind organizing such event was to aware, acknowledge and celebrate the work of all the women who has made their contribution in the society and has made the society a better place. Such events, encourages the younger generation to step up and mark their presence and be a part of greater good.

42. Name of the Activity: Education Department Celebrates “GUPT NAVRATRI”

Event Date: - 30/01/2023

No. of Participant: - 200 +

Event Report:- On 30th January, 2023 the Education Department of Shri ShankracharyaMahavidyalaya organised a Mahabhog on account of Gupt Navaratri. The Students of B.Ed 1st sem helped in the preparation & distribution of Mahabhog. Mahabhog was prepared by Mr. Vikas Chandra Sharma Sir, H.O.D. of Chemistry department and also a student of B.Ed. 1stsem. In the presence of Dr J. Durga Prasad Rao Sir (Dean of Academics),Dr.Archana Jha Madam (Principal), Dr. Neera Pandey Madam (H.O. D of Education Department), dignitaries & all the students of B.Ed. 1st Semester performed puja, aarti & offered Bhog to the Goddess Tripuri Sundari Maa. After that the Mahabhog have been distributed amongst the faculty members & all the students of Shri Shankaracharya Mahavidyalaya.

Everyone enjoyed thoroughly & a great bond of unity & positivity created a beautiful ambience altogether.

Outcomes: If any devotee worships Maa Durga during these Gupta Navratri, then Maa makes their life successful. Rishi Shringi added that even a greedy, lustful, addicted, non-vegetarian or one who is unable to worship, if he worships the mother during the Gupta Navratras, then there is no need for him to do anything else in life. The woman worshiped Gupta Navratri with full devotion on the words of sage Shringi and her life started changing, happiness and peace came in her house while the husband who was on the wrong path, came on the right path. Hence, it came to be believed that life blossomed again by worshipping the mother of Gupta Navratri.

43. Name of Activity: **CANCER AWARENESS DAY**

Event Date: 04/02/2023

No. of Participant: - 15

Event Report:-

World Cancer Day aims to **promote awareness on cancer as a public health issue and to strengthen actions towards improving access to quality care, screening, early detection, treatment and palliative care.**

The major goal of the day is **to increase awareness about the disease and to minimise the social stigma connected with it.** Cancer is the world's second largest cause of death. Lung, breast, cervical, head & neck, and colorectal cancer are the most common cancers in Indians.

OUTCOMES :

Student get aware about the cancer as a public health issue and to strengthen actions towards improving access to quality care, screening, early detection, treatment and palliative care.

44. Name of the Activity: - **Story Writing Competition**

Event Date: - 06-02-2023

No. of Participant: - 12

Event Report: - English department of SSMV organised Story Writing Competition. The theme of the story writing Competition was "Childhood Memories". Writing a short story helped the students to discover the fundamentals of writing in English as well as proper sentence structure. Competitions like this refresh the memories of the students and added little magic to their imagination. This competition wherein students from different departments participated, gave them a platform to express their ideas and views and to go through their nostalgic moment.

The competition was judged by Sandeep Jashwant, (H.O.D. Management, SSMV) and Dr. Krishna Jibon Mondal (H.O.D. Physics, SSMV). The results of the competition are-

S.NO.	NAME	CLASS	POSITION
1	Somitro Kajuri	B.A. III	I
2	Mokesh Kumar Sahu	B.Ed. Ist Sem	II
3	Sandhya Sahu	D.el.ed Ist Sem	III

Outcomes: - Through this competition, students developed their language skills. It broadens their understanding towards things fictional and nonfictional. Aside from these benefits, creative story writing was valuable too in a student's curricular exercises such as group writing classes or other writing workshops for his/her age bracket. It also helps them to develop self-confidence towards the things they love to do.

Webinar

Name of the Activity :- One day webinar in IPR

Event Date :- 31 October 2022

No. of Participant :- 119

Event Report :-

An Online Educational Institution Level Webinar (**October 31, 2022**) on *Awareness Programme on Intellectual Property Rights* was organized by **Intellectual Property office India (IPO)** Under **National Intellectual Property Awareness Mission (NIPAM)** in association with **Department of Biotechnology, Shri Shankaracharya Mahavidyalaya Junwani, Bhilai (Chhattisgarh)**. **Dr Akanksha Jain HOD Biotechnology** conduct the **programme**. which was designed with topics covering various aspects of intellectual Property rights including IPR and Business Competitiveness, Patents, Trademarks and Copyrights, in order to offer a comprehensive an up- to- date knowledge to all the participants.

Dr. Rahul Mene IQAC Coordinator and HoD English introduced the Resource Person of the webinar **Mr. Tamal Saha, Examiner of Patents & Designs & NIPAM Officer (Gr. 'A' Gazetted), The Patent Office Kolkata, DPIIT, Ministry of Commerce and Industry, Government of India**. Speaking on the occasion, **Mr. Arnab Bhattacharya Examiner of Patents & Designs & NIPAM Officer (Gr. 'A' Gazetted), The Patent Office Kolkata,**

DPIIT, Ministry of Commerce and Industry, Government of India, made an overview of patent, design and IPR in totality and called upon the delegates to make themselves aware of the benefits of filing applications for patents and industrial design with IP office and making a commercial use of it. He also said that Indian higher education institutions are lagging behind in filing patents for innovation as focus is more on publishing research papers than going for patenting innovation.

Resource Person of the Webinar Mr. Tamal Saha Examiner of Patents & Designs & NIPAM Officer (Gr. 'A' Gazetted), The Patent Office Kolkata, DPIIT, Ministry of Commerce and Industry, Government of India, made an overview of Patents, its types and its examples along with interesting court cases. He also explained the procedure to get a patent in India and emphasized upon as to how to translate research into patent.

Outcome:

The session of current webinar explains the role of IPR (Intellectual Property Rights) which is to project innovations by promoting and safeguarding the interests of the innovators which is extremely important and thus, is the need of hour. Along with that, it'll discuss how IPR can be implemented in the college. It'll ventilate how IPR in institutions aims to protect and manage the Intellectual Property Rights such as patent, copyright, trademark, etc. with legal support. The webinar will discuss everything from the importance of IPR to the advantages of IPR cell in university.

Faculty of other colleges also impress this session and congratulate telephonically for success of workshop related to patent.

In the end Resource Person of the Webinar Mr. Tamal Saha shared an interesting video clip "IP is everywhere!" giving an insight of Intellectual Property Rights in a colloquial manner through the link <https://youtu.be/e22mTmznSA>

Workshop Report

Name of the Activity :- Opportunity - Civil Service Exam Training

Event Date :- 19.9.22 To 26.9.22

No. of Participant :- 92

Event Report :-

"Opportunity - Civil Service Exam Training" seven-day workshop was organized by the Arts Department of Shri Shankaracharya Mahavidyalaya Junwani, Bhilai in collaboration with **Tejas Academy Smriti Nagar Bhilai from 19 September 2022.**

On the first day of the workshop, Mr. Vinay Singh, Director Tejas Academy, lectured on the topic 'Why choose civil service as a career option', in which he gave brief information about UPSC to the students. On the second day, Mr. Vinay Singh's lecture was held on the topic of preparation for Civil Services Aptitude Test. Along with this, the importance of communication skills was also explained. In the fourth day Shri Uday Pratap Singh was told about essay writing, importance of newspapers. On the fifth day, a lecture was held on the topic 'How to prepare optional subject for Civil Services Main Examination'. In this, it was told how to choose the optional subject so that it can be more and more helpful in this examination. Prashant Pandey of Tejas Academy told about CG PSC, CG Vyapam and SSC on the last day of the workshop. Along with this, the importance of NCERT was told in the Civil Services Examination. Apart from this, importance of Chhattisgarhi language was also told in this workshop. A test was also held on the last day of the workshop in which questions related to what the students learned in the workshop were asked. The workshop concluded on 26 September 2022. Appreciating the workshop, Dr. Archana Jha, Vice-Principal of the college in the closing ceremony, said that this type of workshop solves many doubts arising in the minds of the students, how they have to choose a career in the future. The subject matter is clear. Praising the workshop, IQAC Coordinator Mr. Rahul Mene said that more such workshops should be organized in future so that students can get a right guidance. Mr. Vinay

Singh, director of Tejas Academy, while expressing his views said that there are infinite possibilities in every field to make a career, it depends on you in which field you want to make your career. Tejas Academy is determined to provide you training as well as support. All the teachers including Dr. Ashish Singh, Mrs. Meeta Chugh, Mrs. Jyoti Mishra and Raj Kishore Patel were present on the closing occasion. The stage was operated by Dr. Lakshmi Verma and the vote of thanks was done by Dr. Mahendra Sharma, Head of the Department.

Name of Activity: One Day Seminar on “Digital Marketing”

Date : 27/09/22

Time : 11:30 pm – 2:00 pm

No. of participants : 66

No. of faculty : 5

EVENT REPORT :

“In the world of Internet Customer Service, it’s important to remember your competitor is only one mouse click away.”

The students of computer science department of Shri Shankara Mahavidyalaya decided to hold an event to discuss and interact on the topic of “Digital Marketing”. The Chief Guest was invited to share his valuable thoughts on this up-to-the-minute topic which aided students to develop their career in Digital Marketing.

Then the HOD of Computer Science Department concluded the event by sharing his thoughts on this topic and also thanked the students for showing their interest and making this event a success.

OUTCOME

The generous conclusion that comes out from this session is that students got to know about a lot of unknown facts through the topics and presentations. Students develop the skill of giving powerful and impacting presentations and speeches .the students enhanced their existing knowledge about Digital Marketing.

3.Name of the Activity

:-SPSS Workshop

Event Date :- 26th to 28th November 2022

No. of Participant :- 45

Event Report :- Three Days National Level workshop on the usage of Statistical Package for Social Sciences (SPSS) software was organized in off line mode on 26th -28th November 2022 by Shri Shankaracharya Mahavidyalaya, Junwani, Bhilai campus in collaboration with District Institute of Education and Training (DIET), Durg. Dr. Rajni Nelson, Principal, DIET, Achhoti, Durg is the Chief guest of the workshop. Dr. Shishirkana Bhattarcharya, Assistant Professor DIET, Achhoti, Durg was the Resource person for the first day of three-day workshop. The aim of the workshop is to enable the participants to operate the SPSS software on their own and understand when and what type of statistical method to use and to provide intensive training on the everyday use of SPSS software for data analysis. The direct beneficiaries of this workshop were the research scholars using empirical research, final year students writing their dissertation, students doing internally or externally funded-projects along with a number of faculty members and staff of the college & University. The workshop received an overwhelming response in terms of student and faculty participation.

The first day of the workshop began with a warm welcome by the anchor Dr. Vandana Singh, Assistant Professor, Department of Education. The workshop started with a Welcome Address by Dr. Archana Jha, Principal, Shri Shankaracharya Mahavidyalaya, Bhilai. Dr.J Durga Prasad Rao, Dean (Academics) of Shri Shankaracharya Mahavidyala,Bhilai has given the detail of the programme and its importance and encouraged the participants to make the best use of the training workshop. Chief guest and Resource person was welcomed by sapling, seed ball and bird nest. Dr. Rajni Nelson, Principal, DIET along with Principal of the college and Dean Academic inaugurated the workshop by lightening the lamp and saraswati puja.

Dr. Rajni Nelson, Principal, DIET The inaugural session began with introduction of types of data and scale of measurements and importance of research in life. The chief guest explained the importance of knowing the data type and data scale as this information is vital in selecting statistical techniques and methods for data analysis.

Resource person of the second session was Dr. Shishirkana Bhattacharya, Assistant Professor, DIET, Achhoti, Durg. She began with an introduction to types of Research, types of data, types of hypotheses, selection of problem etc. She also discussed about statistical Analysis and its interpretation. All the participants from different colleges were provided with workshop material as well as web-link to download trial version of the software in advance. This helped the participants to have a hands-on experience of the software.

In this workshop, IQAC Coordinator Dr. Rahul Mene, all HOD's, all faculties of college and research scholar, student and teachers of different college were present.

Dr. Archana Jha, Principal, Shri Shankaracharya Mahavidyalaya, Bhilai. and Dr. J Durga Prasad Rao, Dean Academic of Shri Shankaracharya Mahavidyalaya, Bhilai has felicitated chief guest Dr. Rajni Nelson, Principal, DIET, and resource person Dr. Shishirkana Bhattacharya, with a memento. Vote of thanks was given by Dr. Vandana Singh.

The second day of the workshop began with a warm welcome by the anchor Dr. Vandana Singh, Assistant Professor, Department of Education. The workshop started with welcome of Resource person Dr. Mahendra Kumar, Assistant Professor, Department of psychology, MATS University, Raipur with sapling, seed ball and bird nest. Day 2 began with an introduction to measures of central tendency, tests of normality. The speaker explained how to code and enter data and data filtration. He guided that in case of missing values, any of the following values can be used: mode, median, beta coefficients or closer moving average methods. Cross-tabulation, chi square test statistic and hypothesis testing was also introduced and its importance and reasoning were discussed in detail. Thereafter the session continued with a detailed discussion on formulation of hypothesis, application of t-test, one-way ANOVA, Mann Whitney test, Wilcoxon test, Kruskal Wallis test, KMO tests and the workshop ended with a brief discussion on Factor Analysis.

Vote of thanks was given by Dr. Vandana Singh.

The third day of the workshop i.e., 28th November 2022 began with a warm welcome of Resource person Dr. Vinod Sen, Assistant Professor, Department of Economics, IGNTU (A Central University), Lalpur, Amarkantak, M.P. India, with sapling, seed ball and bird nest. He has more than 16 years of teaching and research experience. Dr. Sen has published six books, and also published 50 research papers in various Peer-reviewed and UGC Care lists reputed national and international journals and contributed 17 book chapters and 3 articles in conference proceedings. He is also a Member of the Editorial Board of various National and International journals.

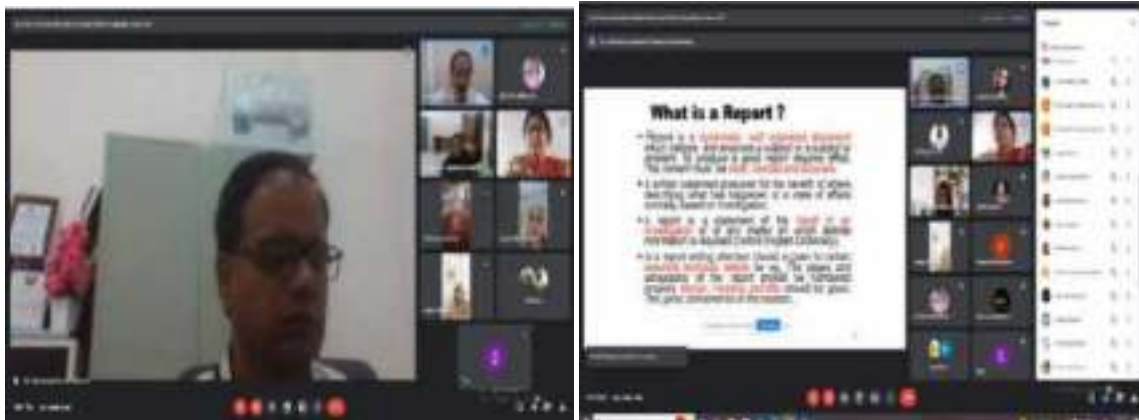

Day third began with discussion on different aspects of report writing in detail and its importance for Ph.D scholar. Several queries also solved by the speaker.

In Valedictory function, Dr. Rahul Mene, IQAC Coordinator delivered the Valedictory Address. Another important ceremony of the occasion was the distribution of the Certificates to the participants on successful completion of the workshop. There was a time of sharing where the participants shared their experiences in the three days' workshop. Mr. Sandeep Jaswant, Assistant Professor, Department of Management, Shri Shankaracharya Mahavidyalaya, Junwani, Bhilai, presented formal vote of thanks.

A group photograph along with all the participants and organizers was taken towards the end. The workshop ended at a memorable note as the participants shared their positive feedbacks with the resource-person and the organizers.

Outcomes :- The participants feedback showed that they have gained knowledge in using SPSS for data handling and analysis. All the participants were highly satisfied with the workshop.

Press Release :- (Newspaper / Facebook)

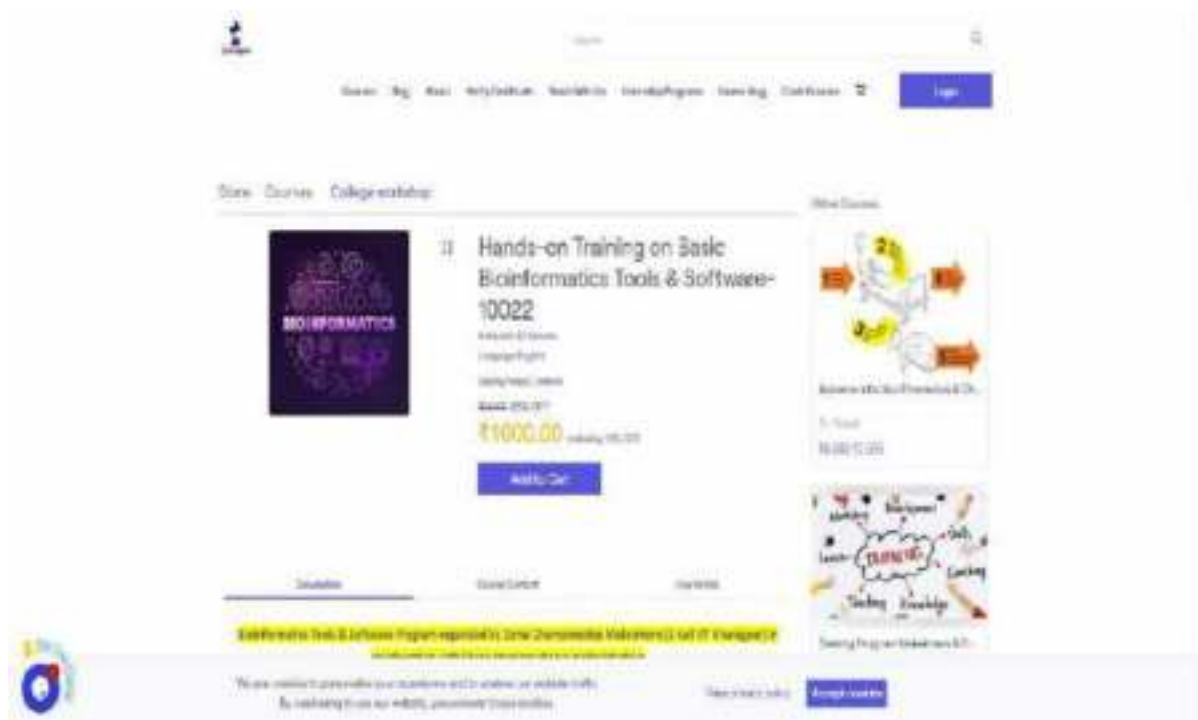

Event Name: Two day Workshop cum training Programme on “Bioinformatics Tools and Software” organized at Department of Biotechnology- on 12-13 December 2022.

Date: 12-13 December 2022

No. of Participants : 50

Online registration process:

Event Report:

A two-day workshop on Bioinformatics Tools and Software was organized by the Department of Biotechnology, Shri Shankaracharya Mahavidyalaya, Junwani, Bhilai in association with Make Intern India - E-Cell, I.I.T. Kharagpur. Bioinformatics is one such branch of science. In which the work of acquisition, processing, storage, interpretation, analysis, distribution etc. Bioinformatics is a multidisciplinary branch in which different departments like: Biology, Biotechnology, mathematics, Biostatistics and computer and information technology work together and generate a Database. Through this technique, we can change the genes of plants, detect disease genes and make medicines. Currently it is being used in data mining, gene discovery, drug designing, genome assembly, protein structure alignment and prediction etc.

In the first day, the program was conducted by Rachna Tiwari, Assistant Professor, Department of Microbiology. The chief guest and Resource person in the program was Dr. Nilanjan Banerjee (Scientist, SHRM Biotechnology, Kolkata) Consultant/Mentor, Make Intern, E-Cell, IIT. He taught the students Bioinformatics related tools and software like Uniprot, Swissprot, NCBI, promoter Finder, virtual screening, molecular, docking, chemical library, various bonds, 3D structures of various proteins searching and interpreting the database. Explained the concepts of proteomics, genomics, QGRS, reverse complementation, gap penalty.

Outcome:

50 participants participated in the workshop cum training Programme. In which apart from the students of the college, students of different colleges, research scholars and professors participated. In this workshop, observation of the students on the subject related to Bioinformatics tools and software was done through test and the students selected in the competition were encouraged by giving them certificates. During the competition in this workshop, four students were selected for further Zonal Level Championship in Bioinformatics for which they will further go to IIT Kharagpur. Aanchal Yadav, Ankit Bhagat, Muskan Bhuwal, Shruti Thawait were selected for further competition.

20. Name of the Activity: SIX DAY WORKSHOP ON DRAMATICS IN EDUCATION

“CREATIVE TEACHING”

Event Date :- 24th -29th April 2023

No. of Participant :- 300

Event Report: -

In Shri Shankaracharya Mahavidyalaya 6 days’ workshop organized on the topic Dramatic in Education ‘Creative Teaching ‘organized. The main objective behind this is to create teachers more confident and effective in classroom teaching.

First Day

Program started with the enlightening of lamp in front of the goddess Saraswati followed by the welcome speech of college Principal Dr. Archana Jha, she said we are the first among the other colleges who have taken the initiative to organize such program to enhance the creativity among the students of B.Ed. in classroom teaching. She said that the teachers should be different in crowd when they are involved in classroom teaching. She further, added on these six days workshop,skilled professors were involved to polish the creativity of teachers in classroom teaching.

Dean Academics Dr. J Durga Prasad Rao said teachers should play the role of dramatics also they should know the need of students whether they want notes, audio visual aid or any other teaching aid. According to the student's ability teachers should help them in classroom learning.

Mr. Deepak Ranjan Das senior journalist Sunday campus this workshop is the joint collaboration with Sunday Campus in his addressing speech he said we will play the role of Coriander as its gives polishing effect in the final food presentation. He said as coriander plays the important role in garnishing simultaneously, teacher's presentation is very important in the classroom teaching.

Main speaker of the program Dr.P.K.Srivastava former Principal Vaishno College of Education, Village Thapkour, TEH- Nurpur he started with example of creativity teaching he said teachers should do plan his teaching according to the need demand and curiosity of the students. He explained with the theory of Thorndike learning theory, law of exercise, law of effect. He said before teaching in the class teacher should know the IQ level of students his level of learning whether he is ready to grasp the knowledge which the teacher is sharing in the class. Law of association and law of learning is compulsory for teachers.

He said voice modulation of teachers in the class is also very important. He explained with the famous example of late Amjad Khan Voice modulation in the famous movie Sholay Delivering of dialogues is important in the classroom teaching also. He further added teachers are the role models for their students they imitate their teacher's style in their life. In the concluding part he said teachers should be equipped with the latest technologies he should be updated by the latest technologies.

In this program HOD Education Dr. Neera Pandey, Dr. Vandana Singh, Dr. Gayatri Mishra, Dr. Santosh Sharma along with the students were present on this occasion. Vote of thanks presented by Dr. Sushma Dubey.

Second day of workshop on Dramatics in Education "Creative Teaching"

The second day of workshop began with the welcome note by Dr Neera Pandey, HOD, Department of Education , Shri Shankaracharya, Mahavidyalaya, Bhilai.

Resource person for second day workshop was Shri Chitransh Srivastava. He is graduate in theatre from Indira Sangeet Kala Vishwavidyalaya. He is also member of IPTA Bhilai.

As creative teaching is important for engaging and motivating student of all ages to pursue academy studies. It provides better understanding to how innovation and creativity are framed in the national educational objectives and applied in educational practices at every level of school.

Mr Shrivastava highlighted various aspects of effective teaching method s like roleplay. He asked student to give formal introduction and tell their one good habit and one bad habit. As a teacher, teaches lots of students with lot of skills at a time, he must know themself well. He said that BJ should have good body language as student get distracted by improper body language he also explained about improvisation. He said that imagination power and fiction is the power of human beings which is not present in animal. He discussed about OIP I e., Observation imagination and presentation which are very important for good teacher. He emphasized on voice & speech, body movement and personality development.

Various group activities were also undertaken during the session to make the workshop active, participating, and interesting.

He concluded his speech by a message, that 'Be a good listener to become a good speaker'. Principal of the College Dr. Archana Jha gave seed balls and memento to our Resource Person.

Vote of thanks given by Smt. Seema Dwivedi.

Third Day of Workshop Topic is “ROLE OF PUPPETRY IN EDUCATION”

Third day of workshop was on use of puppet in teaching learning process. The Resource person for 3rd day of the workshop was Sri Vibhash Upadhyay. He is a Puppeteer and Theatre Artist. He was awarded with Chakradhar Samaan in Sanskar-22 in Azadi ka Amrit Mahotsav programme. He, goes different villages to educate children in puppet and theatre work. Dr. Neera Pandey, Professor, Department of Education gave the welcome address.

Puppetry occurs in almost all human societies where puppets are used for the purpose of entertainment through performance, as sacred objects in rituals, as symbolic effigies in celebrations such as carnivals, and as a catalyst for social and psychological change in transformative arts.

Benefits of Playing with Puppet are Language Development, Social Development, Emotional Development, Listening Skills, Motor Skills, Hand Eye Co-ordination, Building Self Confidence, Creativity.

He explained Communication with Puppetry. He explained the importance of voice, function of vocal cord in creating sound. He said how pitch is related to Feelings and emotion. He explained how to make each type of puppetry and how to use it. Then he exclaimed that Glove puppet is the most advantageous as we can move the dolls 360 degree.

He also gave knowledge of different types of puppet-like Finger Puppets, Hand Puppets, Glove Puppets, Shadow Puppets, Rod and Arm Puppets, Stick Puppets etc. He taught us how to make paper dolls with a waste paper by using folding techniques. He also added that how it can be decorated and changed into character according to the story.

Group activity was also undertaken during this session. He gave one performance also. It was an interactive session. It was very informative and interactive that the students were able to know about the process of puppetry show and how powerful an art form can be used.

Students enjoyed the session and solve their various queries.

Fourth day

Fourth day of the workshop was on the topic “Voice Modulation” on 27.04.2023 organized by Department of Education, Shri Shankaracharya Mahavidyalaya, Junwani, Bhilai, C.G., for the students of B.Ed., M.Ed. and D.El.Ed. The resource person was Mr. Deepak Ranjan Das, lecturer, M. J. College, Bhilai. He is also Journalist, Author, Script Writer, and Dramatist. The workshop started with a welcome and introduction of the guests by Kanchan Sinha, Lecturer, Shri Shankaracharya Mahavidyalaya, Bhilai.

Mr. Deepak Ranjan Das in his opening remarks motivated the students and guided them to understand the nuances of voice modulation. In his speech, He said that the topic of the workshop was apt and relevant especially in the time of post pandemic when there is huge demand of voice over artists and presenters for uprising usage of digital platform.

The resource speaker, discussed the importance of voice modulation especially in the field of education, media industry and podcast; and elaborated the solutions to the hesitations of the budding teacher and artists. He discussed that individuals who are interested to use their voice need to understand what is their interest area, personality type, whether the matter appeals them, can they research on the matter and they should always keep in mind that one's voice does not matter but the magic is in delivery. He guided the students to work on concepts and topic which may be specific based on age region, etc. or general. He explained the process of story plot Map and gave seven vital tips of delivery. He suggested that in any class room the success depends on the teacher's tone, pause, clarity, pronunciations, speed of delivery, completeness of the sentences, how much he or she can engage the class student etc. and also that one needs to practice the skills as the expertise comes with time. He also suggested exercises to control the voice and to have clarity in the voice. Later in the workshop he asked the students to do intonations and voice over by giving them sample practice words and story and guided them about their shortcomings. The workshop ended with a vote of thanks by Dr. Neera Pandey and feedback collection.

Fifth Day

On the 5 day of workshop Mrs Alka Das was the main guest of the workshop. She shared some guidelines for the effective creative teaching. Followed by puppet presentation by the students of D.El.Ed. and B.Ed. Some of the students sung songs also what they have learned in their voice modulation class. Ms Chanchal sung a beautiful song. Mrs Alka Das announced the results

Ms. Moushumi(B.Ed-II) scored first prize ,Ms. Aroni(B.Ed.-II) second and Mrs Pragiti(D.El.Ed-II) Third

Participation certificates were given to the students who participated with zeal and enthusiasm in this workshop

Vote of thanks given by Dr. Neera Pandey HOD Education

Sixth Day

Valedictory of 6 Days workshop in Dramatics in Education "Creative Teaching "

Valedictory function of 6 days' workshop ended with fruitful outcomes in Shri Shankaracharya Mahavidyalaya. Different experts from different fields came to polish the creativity of students in Education. The main motto behind this workshop is to teach students how to bring innovations and creativity in teaching so that students should involve in class with zeal. Mr. Deepak Ranjan Das senior Editor Sunday campus.com. This workshop is the collaboration with Sunday Campus.

On the valedictory function the guest was retired GM Mr. Gyaan Chaturvedi he highlighted Goddess Sara Swati is the outcome of melodious singing

Students performed the puppet show as what they have learned during the workshop.

Participation certificates were given to the students who participated with zeal and enthusiasm in this workshop.
